To whom this may concern,

I Michelle Sims recently filed a formal complaint against Ohio Edison regarding charges that was applied to my electric bill from 2006. I am writing due to a court hearing scheduled for August 16, 2013 at 10 am in Columbus, Ohio. I live in Akron, Ohio and I am currently employed through Edwin Shaw Rehabilitation working 3<sup>rd</sup> shift as a Licensed Practical Nurse. I am unable to make the schedule hearing. Columbus is about a 2 hr drive from Akron and when I get off work I also have my 3 children which are in my care since they are not in school or a day care program. I am asking if we can schedule this hearing via phone or any other way possible. I am more than ready to get this resolved with Ohio Edison as soon as possible. I can make myself available Monday thru Friday anytime after 12 noon. I would greatly appreciate it if this letter can be taken into consideration.

Thank you,

*M. Sims*
