Docketing Case No.: 09-0119-EL-AEC

Notes:

>My question is does PUCO realize the great disservice it has done to the employees if Ormet. AEP has posted a profit of over a billion dollars last year and you ruled in their favor and against an average worker making 30 to 40 thousand dollars a year. You apparently have also sold out any honesty and integrity your commission once upheld.

Please docket the attached in the case number above.
