**Case No. 13-1717-EL-REN
Schaffer-Martin-OH-PV-8.28kW Residence
Staff Interrogatory – Initial Set**

Question 1: In Section B of the application, according to usps.com, "[th]e address you provided is not recognized by the US Postal Service as an address we serve. Mail sent to this address may be returned." To ensure the certificate is delivered when it is sent out please verify the mailing address for section B or provide an alternate mailing address for the facility owner.

Answer 1: I have confirmed with the project owner that the address provided originally is correct. They are located in a rather urban area with residences up and down both sides of the street and receive mail at that address regularly.

The address is:

11601 Wade Park Avenue
Cleveland, OH 44106

Please let me know if you have any further questions and thank you for your cooperation.
