COMMENT DESCRIPTION:

I am NOT the Ormet Corporation. I do have a husband and two sons who work at the Ormet Corporation. I am writing to ask for your help in getting lower electric cost for the Ormet Corporation. This plant is the main employer in our small area and we are already hurting from the bad economy. There are around 1,000 workers (salaried and union) at Ormet and if they lose their jobs, our area will be devastated. I am asking that you please step in and help us. If I need to contact another department within your organization, please let me know or forward this to them. Thank you so much. Your immediate help will be very much appreciated. Sincerely, Denise Harris
