To: The Public Utilities Commission of Ohio

As workers and community members, we recognize that the Ohio Valley has already sustained devastating job loss and can ill afford to lose any more. We are asking that you do what is right by intervening and giving the needed relief to Ormet from AEP's greedy power demands and save the over 1,000 family supportive and community sustaining jobs in Hannibal, Ohio.

As workers and community members, we recognize that the Ohio Valley has already sustained devastating job loss and can ill afford to lose any more. We are asking that you do what is right by intervening and giving the needed relief to Ormet from AEP's greedy power demands and save the over 1,000 family supportive and community sustaining jobs in Hannibal, Ohio.
