RESOLUTION 695A RESOLUTION REGARDING FAMILY SUPPORT  
FOR JOBS AT ORMET'S ALUMINUM SMELTER  
IN HANNIBAL, OHIO

PUCO

2013 AUG 28 PM 1:49

RECEIVED-SOCKETING DIV

WHEREAS, it is in unquestionably the best interest of our community to retain over 1000 family supporting jobs at Ormet's aluminum smelter in Hannibal, Ohio;

WHEREAS, American Electric Power (AEP), a private corporation on pace to record \$1 billion profit, almost doubled Ormet's electrical bill this year, making it impossible to continue production;

WHEREAS, the Public Utilities Commission of Ohio (PUCO), which regulates utility rates and terms of service, has so far refused to intervene or grant Ormet relief from the rate hike; and

WHEREAS, the loss of Ormet will have a predictably devastating impact on thousands of families and small businesses throughout the Ohio Valley's already struggling communities;

NOW, THEREFORE, BE IT RESOLVED that we urge the PUCO to intervene and prevent the permanent loss of this facility and these jobs; and

BE IT FURTHER RESOLVED that copies of this resolution be printed and delivered to Governor John Kasich, to the individual members of the PUCO and to the USW, which represents workers in Hannibal.

RESOLVED AND APPROVED on this 20<sup>th</sup> day of August, 2013.
