RESOLUTION NO. 2013 - #109-119-EL-AECBelmont

County, Ohio

Be It Resolved by the Township Trustees of MEAD Township

that

Whereas, it is in unquestionably in the best interest of our community to retain over 1,000 family supporting jobs at Ormet's aluminum smelter in Hannibal, Ohio;

Whereas, American Electric Power (AEP), a private corporation on pace to record \$1 billion profit, almost doubled Ormet's electrical bill this year, making it impossible to continue production;

Whereas, the Public Utilities Commission of Ohio (PUCO), which regulates utility rates and terms of service, has so far refused to intervene or grant Ormet relief from the rate hike; and

Whereas, the loss of Ormet will have a predictably devastating impact on thousands of families and small businesses throughout the Ohio Valley's already struggling communities;

Now, therefore, be it resolved that we urge the PUCO to intervene and prevent the permanent loss of this facility and these jobs; and

Be it further resolved that copies of this resolution be printed and delivered to Governor John Kasich, to the individual members of the PUCO and to the USW, which represents workers in Hannibal.
