RE: Case Number OH1251000995C

My response to the Hearing on this case:

Page 12 Line 12 of the proceedings.

Requirements of 393.128 state a vehicle must be restrained by a minimum of two tiedowns. Per the pictures it is clear this was done plus extra chains for security so the vehicle could not possibly fall off. Page 30 line 12 Trooper Ramps stated he did not test the vehicle to see if it would move.

Ohio 4901:2-7-07 Notice of Intent to assess forfeiture,  
Section B number 3 states:

The forfeiture should be assessed by the degree of the respondent's culpability.  
This was not done.

For the above reasons I move this case be dismissed.

Sincerely

  
Jim Schnoll
