CASE NO.:

01-2648 GACE

**MOTION FOR EMERGENCY
HEARING**

Complainant, WMI GROUP, LLC., respectfully moves the Commission for an immediate Emergency Hearing regarding the fact that Dominion East Ohio refuses to provide transport services to the Complainant as more fully set forth in the Complainant's Complaint, a copy of which is attached hereto as Exhibit "A".

WMI Group, LLC respectfully asserts that as a result of Dominion East Ohio's failure to properly process, approve, and otherwise provide service to WMI Group, LLC, it is losing business on a daily basis and is otherwise suffering irreparable harm and injury. WMI Group, LLC has made proper application and is ready, willing and able to pay the necessary deposit.

Based upon the above and the allegations contained in Complainant's Complaint, it is respectfully demanded that Dominion East Ohio be ordered to immediately provide the

transport services requested by the Complainant and that this matter be scheduled for an emergency hearing at the earliest possible date.

Respectfully submitted,
