Dear Ms. McNeal:

Subsequent to filing its Application in the above-referenced case, Ohio Power Company ("AEP Ohio" or the "Company") discovered an error contained in the first paragraph on page 7 of Attachment A to the Application. The second sentence of that paragraph should read as follows: "In addition, there are some environmental benefits associated with reduced vehicle emissions as a result of reduced vehicle miles traveled with 1,767 metric tonnes of CO₂ avoided annually."

Thank you for your attention to this matter.

Respectfully submitted,

/s/ Yazen Alami
