and Wright-Patterson Air Force Base for)
Approval of a Unique Arrangement.)

ENTRY

The attorney examiner finds:

- (1) Pursuant to Section 4905.31, Revised Code, and Rule 4901:1-38-05(A), Ohio Administrative Code (O.A.C.), an electric utility may file an application for Commission approval of a unique arrangement with one or more of the electric utility's customers.
- (2) On March 4, 2011, the Dayton Power and Light Company (DP&L) filed a joint application for approval of a unique arrangement with Wright-Patterson Air Force Base (WPAFB), to ensure that economic conditions which encourage job growth and retention exist at WPAFB, by providing reliable, safe electric service at a reasonable and predictable price.
- (3) On June 8, 2011, the Commission issued an opinion and order approving DP&L and WPAFB's application for a unique arrangement, and ordered DP&L to take all necessary steps to carry out the terms of the order.
- (4) On October 7, 2013, DP&L and WPAFB filed a joint application to modify their unique arrangement, and a request for expedited consideration. In support of their application, DP&L and WPAFB explain that their requested modification is limited to the pricing of the existing unique arrangement, and, if approved, WPAFB would pay tariff rates for all non-bypassable charges as well as a fixed rate of \$0.02642 per kilowatt-hour and \$8.43614 per kilowatt for all bypassable charges.

- (5) The attorney examiner finds that a hearing should be held in order to consider the modification to DP&L and WPAFB's unique arrangement. Accordingly, this matter should be set for a hearing on November 13, 2013, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 11th Floor, Hearing Room 11-A, Columbus, Ohio 43215-3793.

It is, therefore,

ORDERED, That a hearing in this matter be held in accordance with finding (5).
It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
