## RENEWAL APPLICATION FOR GOVERNMENTAL AGGREGATORS

Please print or type all required information. Identify all attachments with an exhibit label and title (Example: Exhibit A-4 Opt-Out Form). All attachments should bear the legal name of the Applicant and should be included on the electronic copy provided. Applicants should file completed applications and all related correspondence with: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus, OH 43215-3793.

**This PDF form is designed so that you may input information directly onto the form. You may also download the form, by saving it to your local disk, for later use.**

### A. RENEWAL INFORMATION

#### A-1 Applicant's legal name, address, telephone number, PUCO certificate number, and web site address

Legal Name West Chester Township

Address 9113 Cincinnati-Dayton Road West Chester, Ohio 45069

PUCO Certificate # and Date Certified 06-133E(4) January 10, 2012

Telephone # (513) 777-5900 Web site address (if any) www.westchesteroh.org

#### A-2 Exhibit A-2 "Authorizing Ordinance" provide a copy of the ordinance or resolution authorizing the formation of a governmental aggregation program adopted pursuant to Section 4928.20(A) of the Revised Code.

#### A-3 Exhibit A-3 "Operation and Governance Plan" provide a copy of the applicant's current plan for operation and governance of its aggregation program adopted pursuant to Section 4928.20(C) of the Revised Code. The Operation and Governance Plan explained in Exhibit A-3 should include:

- Terms and conditions of enrollment including:
  - Rates
  - Charges
  - Switching fees, if any
- Policies associated with customers moving into/out of aggregation area
- Billing procedures
- Procedures for handling complaints and disputes including the toll-free telephone number and address for customer contacts

A-4 **Exhibit A-4 Automatic Aggregation Disclosure-“Opt-out Form”** provide a copy of the disclosures/”opt-out” required by Section 4928.20(D) of the Revised Code, if its aggregation program provides for automatic aggregation in accordance with Section 4928.20(A) of the Revised Code. If the opt-out is in draft form, docket the final opt-out (including beginning and ending dates of the 21-day -out period and the selected CRES supplier) with the Commission within 10 days prior to providing or offering service. See #12 in the attached Affidavit .

A-5 **Contact person for regulatory or emergency matters**

Name Mark R. Burns  
Title President, Independent Energy Consultants, Inc.  
Business address 215 W. Garfield Road Suite 210 Aurora, Ohio 44202  
Telephone # (330) 995-2675 Fax # (800) 574-4508  
E-mail address (if any) mburns@naturalgas-electric.com

A-6 **Contact person for Commission Staff use in investigating customer complaints**

Name Mark R. Burns  
Title President, Independent Energy Consultants, Inc.  
Business address 215 W. Garfield Road Suite 210 Aurora, Ohio 44202  
Telephone # (330) 995-2675 Fax # (800) 574-4508  
E-mail address (if any) mburns@naturalgas-electric.com

A-7 **Applicant’s address and toll-free number for customer service and complaints**

Customer Service address 215 W. Garfield Road Suite 210 Aurora, Ohio 44202  
Toll-free Telephone # (888) 862-6060 Fax # (800) 574-4508

(Town)

County of Butler :

Judith Boyko

, Affiant, being duly sworn/affirmed according to law, deposes and says that:

~~He~~/She is the Administrator (Office of Affiant) of West Chester Township (Name of Applicant);

That ~~he~~/she is authorized to and does make this affidavit for said Applicant,

1. The Applicant herein, attests under penalty of false statement that all statements made in the application for certification renewal are true and complete and that it will amend its application while the application is pending if any substantial changes occur regarding the information provided in the application.
2. The Applicant herein, attests it will timely file an annual report with the Public Utilities Commission of Ohio of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Division (A) of Section 4905.10, Division (A) of Section 4911.18, and Division (F) of Section 4928.06 of the Revised Code.
3. The Applicant herein, attests that it will timely pay any assessments made pursuant to Sections 4905.10, 4911.18, or Division F of Section 4928.06 of the Revised Code.
4. The Applicant herein, attests that it will comply with all Public Utilities Commission of Ohio rules or orders as adopted pursuant to Chapter 4928 of the Revised Code.
5. The Applicant herein, attests that it will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the Applicant.
6. The Applicant herein, attests that it will fully comply with Section 4928.09 of the Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The Applicant herein, attests that it will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The Applicant herein, attests that it will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The Applicant herein, attests that it will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the Applicant will provide, the Applicant herein, attests that it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio. (Only applicable if pertains to the services the Applicant is offering)

11. The Applicant herein, attests that it will inform the Commission of any material change to the information supplied in the renewal application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating customer complaints.
12. The Applicant herein, attests that if the opt-out is in draft form, the Applicant will docket the final opt-out (including beginning and ending dates of the 21-day -out period and the selected CRES supplier) with the Commission within 10 days prior to providing or offering service.

That the facts above set forth are true and correct to the best of his/her knowledge, information, and belief and that he/she expects said Applicant to be able to prove the same at any hearing hereof.

**RESOLUTION NO. 23 - 2005**

\*\*\*\*\*

**RESOLUTION AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT A  
GOVERNMENTAL ELECTRICITY AGGREGATION PROGRAM WITH OPT-OUT  
PROVISIONS PURSUANT TO SECTION 4928.20, OHIO REVISED CODE, DIRECTING  
THE BUTLER COUNTY BOARD OF ELECTIONS TO SUBMIT A BALLOT QUESTION TO  
THE ELECTORS AND AUTHORIZING THE EXECUTION OF AN AGREEMENT FOR SUCH  
PURPOSES.**

**WHEREAS**, the Ohio Legislature has enacted electric deregulation legislation ("Am. Sub. S.B. No. 3") which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate the retail electrical loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity; and,

**WHEREAS**, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of electricity deregulation through lower electric rates which they would not otherwise be able to have individually; and,

**WHEREAS**, this Board of Trustees seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20, Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other electric consumers in the Township and in conjunction jointly with any other political subdivision of the State of Ohio, as permitted by law.

**NOW THEREFORE, BE IT RESOLVED** that the West Chester Township Board of Trustees does hereby agree to:

**SECTION 1.** Find and determine that it is in the best interest of the Township, its residents, businesses and other electric consumers located within the Township limits to establish the Aggregation Program in the Township. Provided that this Resolution and the Aggregation Program is approved by the electors of the Township pursuant to Section 2 of this Resolution, the Township is hereby authorized to aggregate in accordance with Section 4928.20, Ohio Revised Code, the retail electrical loads located within the Township, and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of electricity. The Township may exercise such authority jointly with any other political subdivision of the State of Ohio using an energy broker, consultant and/or aggregator certified by the Public Utilities Commission of Ohio, to the full extent permitted by law, and for such purpose, the Administrator is hereby authorized to execute and deliver a brokerage agreement. The aggregation will occur automatically for each person owning, occupying, controlling, or using an electric load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Resolution.

**SECTION 2.** Direct the Board of Elections of Butler County to submit the following question to the electors of the Township at the general election on November 8, 2005.

Shall West Chester Township have the authority to aggregate the retail electric loads located in the Township, and for that purpose, enter into service agreements to facilitate for those loads the sale

and purchase of electricity, such aggregation to occur automatically except where any person elects to opt out, all in accordance with Section 4928.20 of the Ohio Revised Code?

The Clerk of this Board of Trustees is instructed immediately to file a certified copy of this Resolution and the proposed form of the ballot question with the County Board of Elections not less than seventy-five (75) days prior to November 8, 2005. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Resolution and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4928.20, Ohio Revised Code.

**SECTION 3.** Upon the approval of a majority of the electors voting at the general election provided for in Section 2 of this Resolution, this Board of Trustees individually or jointly, shall develop a plan of operation and governance for the Electric Aggregation Program. Before adopting such plan, this Board of Trustees shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Township. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Board of Trustees shall aggregate the electrical load of any electric load center within the Township unless it in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every two years, without paying a switching fee. Any such person that opts out of the Aggregation Program pursuant to the stated procedure shall default to the standard service offer provided under division (a) of Section 4928.14 or division (d) of Section 4928.35, Ohio Revised Code until the person chooses an alternative supplier.

**SECTION 4.** Find and determine that all formal actions of this Board of Trustees concerning and relating to the adoption of this Resolution were taken in an open meeting of this Board of Trustees and that all deliberations of this Board of Trustees and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

**SECTION 5.** Authorize and direct the Administrator to enter into an agreement for consulting services and any other required services related to electric utility deregulation for West Chester Township, and ratifying any such services heretofore performed.

Adopted this 12th day of July, 2005.

## **1. Purpose of Electric Aggregation Program & Services**

This aggregation plan has been developed in compliance with Ohio Revised Code, Section 4928.20 regarding governmental aggregation of electric service. That section of the Code defines two different types of aggregation that may be enacted by a governmental entity; opt-in aggregation and opt-out aggregation. The Township of West Chester ("the Township") will administer an opt-out aggregation program that will be automatically include all eligible electric accounts receiving a beneficial offer from a Competitive Retail Electric Service Supplier (CRES Supplier). Those customers will be given prior notice entitling them to affirmatively elect not to be part of the Program.

The Township passed the necessary resolution to place the issue of Opt-out Governmental Aggregation of electricity on the November 8, 2005 ballot. The ballot issue subsequently passed by wide margin, receiving approximately 58 percent of the votes. The Township will follow the Plan of Operation and Governance ("Plan") outlined below. This Plan was adopted after two public hearings were held in accordance with section 4928.20 (C) of the Ohio Revised Code.

The Township's Aggregation Program ("Program") seeks to aggregate the retail electric loads of consumers located in the Township to negotiate the best rates for the generation supply of electric power. With a Township population of approximately 60,000 the Program has the potential to combine approximately 26,000 residential accounts and small commercial accounts into a buying group that will be attractive to a Competitive Retail Electric Service Supplier (CRES Supplier). Participation in the Program is voluntary. Any individual customer (Member) has the opportunity to decline to be a member of the aggregation program and to return to the Duke Energy standard offer of service or to enter into a power supply contract with any CRES Supplier.

Residential and small commercial electric customers often lack the ability to effectively negotiate electric supply services. The Township's Program provides them an opportunity to benefit from professional representation and bargaining power achieved through an aggregation program.

The aggregation program is designed to reduce the amount Members pay for electric energy and to gain other favorable terms of service. The Township will not buy and resell the power to the Program Members. Instead, the Township will competitively bid and negotiate a contract with a CRES Supplier to provide firm, all-requirements generation service to the Members of the aggregation program.

Due to the complexity of deregulation of the electric utility industry, the Township has entered into contract with Independent Energy Consultants, Inc. (Independent Energy Consultants), a PUCO certified broker and aggregator of natural gas and electricity. Among other things, Independent Energy Consultants will provide these consulting services:

- Draft and assist in maintaining this Plan of Operation and Governance
- Lead the required Public Hearings and attend Board of Trustees meetings

## West Chester Township Exhibit A-3 “Operation and Governance Plan”

- Assist the Township in the day-to-day administration of program (problem resolution, press releases, PUCO compliance, supplier liaison, contract review, etc.)
- Administer the Request for Proposal process, analyze supplier responses and provide recommendations for the supply agreement
- Review customer data provided by Duke Energy that would serve as the basis for an Opt-Out Notice
- Write/prepare reports on a quarterly/annual basis to the Township, PUCO, PUCO’s Market Monitoring division, and the Ohio Consumers’ Counsel.

## 2. Determination of Rates and Other Charges

### 2.1. Rates

Through the efforts of its consultant, Independent Energy Consultants, Inc., the Township will seek proposals from CRES suppliers. The request for proposals shall require the suppliers to offer a generation charge for firm, full-requirements supply. CRES Providers will bid by Duke Energy customer rate classification or customer class. CRES Providers will be encouraged to bid on as many electric accounts as possible, but it is recognized that from a practical standpoint it is not likely that bids will be received for larger commercial and industrial accounts that require interval metering and individual price analysis. Furthermore, a CRES Provider may not be able to beat Duke Energy’s tariff rates for all customer classes and/or rate schedules. The prices to be charged to Members in the Program will be set by Township Trustees after negotiations with the selected CRES Supplier. Members will be notified of the rates and terms of the Program through a direct mailing sent to each eligible resident and business within the Township limits. Once offers are found a table similar to the one shown below will be populated to reflect the offer rates.

<b>Duke Energy Rate Schedule</b>	<b>CRES Supplier Offer Cents/kWh</b>
RS – Residential Service	\$.0502/kWh Jan ’14 – Dec ’15
DM01 – Secondary Distribution Service	\$.0502/kWh Jan ’14 – Dec ’15
Other	

### 2.2 Charges

Neither the Township nor the selected Supplier will impose any terms, conditions, fees, or charges on any Member served by the governmental aggregation unless the particular term, condition, fee, or charge is clearly disclosed to the Member at the time the Member chose not to opt-out of the aggregation.

Duke Energy will continue to bill for Late Payment, Delivery Charges, Transition Charges and Monthly Service Fee, etc. These charges apply whether or not a Member switches to the Program’s CRES supplier. Switching generation suppliers will not result in any new charges billed to the Member.

## West Chester Township Exhibit A-3 “Operation and Governance Plan”

### 2.3 Switching Fees

Should Duke Energy assess a switching fee for Members voluntarily remaining in the aggregation Program; the Request for Proposal will be written to require the selected supplier to pay the switching fee.

### 2.4 Early Termination Fee

Members may terminate their agreement without penalty if they relocate outside of the Township. Members that leave for other reasons may be assessed an early termination fee by CRES supplier. Early termination fees are standard in most electric contracts. The Township will negotiate with the CRES supplier to ensure that any early termination fee assessed is reasonable and clearly stated in the opt-out disclosure notice.

## **3. Process for Providing Opt-Out Disclosure Notices**

When a successful supply offer is found the Township shall order the eligible customer list from Duke Energy. Duke Energy shall turn over the list to the Township or its consultant upon request. Once the list is obtained, it will be shared with the selected CRES supplier and they will have 30 days from the Township’s receipt of the data to mail the Opt-Out Notices to all eligible Members receiving an offer.

Prior to including a customer’s electric account or accounts in an aggregation, the Township, in cooperation with the selected CRES supplier, will provide each eligible Member a written Opt-Out Notice conforming to the requirements of Ohio Administrative Code Section 4901:1-21-17.

The selected CRES supplier will be required to pay for printing and mailing of opt-out disclosure notices. The notices will be mailed to the owner or occupant residing at the electric account mailing address shown on Duke Energy’s customer list. A Township official will sign the notice and it will contain the Township’s name and logo on the outside to clearly indicate to the recipient that it is a notice from the Township.

Prior to mailing Opt-Out Notices a thorough review will be performed to see that all eligible Members receiving an offer are sent the notice. The review process will include the efforts of numerous parties and utilize a number of resources as specified in section four of this plan.

Following acceptance of an offer by the Township, the CRES supplier will mail Opt-Out Notices to eligible Members. Members will have 21 days from the postmark date on the notice to postmark the return opt-out card if they do not wish to participate in the Township’s program.

In the event that an eligible Member is inadvertently not sent an Opt-Out Notice and is omitted from the Program, the CRES supplier shall, upon request, enroll the eligible Member at the group rate for the remaining term.

#### **4. Determination of Eligible Customer Pool**

Under the opt-out aggregation provisions, all eligible electric consumers within the Township will be automatically included in the Program. However, such customers will be given prior notice entitling them to affirmatively elect not to be part of the Program.

Prior to mailing Opt-Out Notices a thorough review will be performed to see that all ineligible customers are excluded. The review process will include the efforts of numerous parties and utilize a number of resources:

- Duke Energy will query their customer database using best efforts to capture all accounts within the Township limits. If desired, the Township is entitled to request Duke Energy analyze the data, for an additional fee, to ensure that no one outside Township limits appears in the data;
- The Township's consultant working with the CRES supplier, available Township resources and publicly available material shall screen out customers who are not located within the Township limits. Those resources may include any or all of the following: Property records, water and/or sewer records, fire and/or police department address records, 911 address records, street listings, Township maps, internet maps, county parcel mapping databases, and outside consulting services specializing in geographical information systems (GIS).
- Ineligible accounts will be screened out based on codes provided in the Duke Energy data.
- The data shall be reviewed to see that all zip codes have been included, all streets included, all customer classes, all customer rate schedules, and finally that an expected total for a community of this population was turned over.
- Any suspected omissions will be reported to Duke Energy along with a request to furnish that data.

#### **5. Opt-Out Process**

The Township is using an Opt-Out form of Governmental Aggregation pursuant to section 4928.20 of the Ohio Revised Code. Any such person that opts-out of the aggregation program pursuant to stated procedure will default to the standard service offer provided by Duke Energy until the person chooses an alternative supplier.

When a successful supply offer is found the Township shall order the eligible customer list from Duke Energy. Duke Energy shall turn over the list to the Township or its consultant upon request. Once the list is obtained, it will be shared with the selected CRES supplier and they will have 30 days from the Township's receipt of the data to mail the Opt-Out Notices to all eligible Members receiving an offer.

The selected CRES supplier and the Township will agree upon the format of the Opt-Out Notice and will docket a sample with the PUCO at least ten days prior to mailing it to eligible Members.

The selected CRES supplier will be required to pay for printing and mailing of opt-out disclosure notices. The notices will be mailed to the owner or occupant residing at the

## West Chester Township Exhibit A-3 “Operation and Governance Plan”

electric account mailing address shown on Duke Energy’s customer list. A Township official will sign the notice and it will contain the Township’s name and logo on the outside to clearly indicate to the recipient that it is a notice from the Township.

Prior to mailing Opt-Out Notices a thorough review will be performed to see that all eligible Members receiving an offer are sent the notice. The review process will include the efforts of numerous parties and utilize a number of resources as specified in section four of this plan.

Following acceptance of an offer by the Township, the CRES supplier will mail Opt-Out Notices to eligible Members receiving an offer. Members will have 21 days from the postmark date on the notice to postmark the return opt-out card if they do not wish to participate in the Township’s program. Members may also call the CRES supplier’s toll-free recorded phone number to opt-out. The selected CRES supplier will not enroll those accounts opting out from the Program.

In the event that an eligible Member is inadvertently not sent an Opt-Out Notice and is omitted from the Program, the CRES supplier shall, upon request, enroll the eligible Member at the group rate for the remaining term.

All members of the Program will also be given an opportunity to opt-out without penalty at least once every three years.

### Procedure Steps:

1. The selected CRES supplier and the Township will agree upon the format of the Opt-Out Notice and will docket a sample with the PUCO at least ten days prior to mailing it to eligible Members.
2. The selected supplier will distribute an Opt-Out Form to all eligible Members via first class U.S. Mail;
3. Recipients will have 21 days from the postmark on the notice to notify the selected CRES supplier if they do not want to be part of the program;
4. Members will be able to opt-out by (i) returning an opt-out card via U.S. Mail to the selected CRES supplier and possibly by (ii) making a toll-free recorded phone call to the CRES supplier informing them of their intention to opt-out;
5. Additionally, Members who do not opt-out per step 4 above will receive written notification from Duke Energy stating that they are about to be switched. That notice will inform them that they have 7 days to rescind the contract by contacting Duke Energy; and
6. The selected CRES supplier will not enroll those accounts opting out from the Program.

The Opt-Out Notice will clearly notify the Program Members of the rates to be charged for electricity and other terms of the contract with the selected supplier. The notice will also satisfy the requirements for disclosing the environmental impact of the generation sources used to supply the program.

## **6. Customer Classes Included**

All eligible Members are included in the Program but the selected CRES supplier's offer will determine which groups receive an offer and Opt-Out Notice. It is envisioned that residential and small commercial customers supplied by Duke Energy within the Township limits are the most likely to receive an offer. The specific rate schedules will be identified in Section 2 of this Plan of Operation. In addition to having a rate schedule listed in Section 2, the following eligibility requirements apply.

- Customers must be up to date with their bill payment;
- Customers must not have not Opted-out of the Program;
- Customers must not be on the Do Not Aggregate List;
- Customers must not be supplied generation service from another CRES provider;
- Customers must not be in the Percentage of Income Payment Program (PIPP);
- Commercial Customers must have a Peak Demand of less than 100 kW; and
- Commercial Customers must not have interval metering; and
- Customers must meet eligibility requirements of a specific supplier offer, which may include a limitation based on their estimated Price to Compare from Duke Energy.

## **7. Billing Procedures**

The Township will utilize the coordinated billing services of Duke Energy and the selected CRES supplier. Most customers are expected to receive a single bill from Duke Energy that itemizes among other things, the cost of generation provided by the CRES supplier. In some instances, particularly for commercial accounts, the CRES supplier may request that dual billing may be used. In this case the supplier would issue a bill for their supply service and Duke Energy would issue a bill for their delivery services.

Members currently on budget billing will continue to be budget billed. Duke Energy's process will remain the same and the new CRES Supplier rate would be incorporated on a rolling 12-month basis. Members wishing to start budget billing should contact Duke Energy. The process will take place in accordance with Duke Energy's policy and is not unique to the Township's Program.

Members are required to remit and comply with the payment terms of Duke Energy and/or their supplier if dual billing is used. This Program will not be responsible for late or no payment on the part of any of its members. Furthermore, slow or no payment on the part of some Members will not adversely impact the rates charged to other Members. The selected Supplier shall not charge more than 1 ½ percent per month for overdue balances owed to the selected Supplier.

## **8. Credit/Deposit Requirements**

Collection and credit procedures remain the responsibility of the Duke Energy, the selected Supplier and the individual Member. Members are required to remit and comply with the

## West Chester Township Exhibit A-3 “Operation and Governance Plan”

payment terms of Duke Energy. This Program will not be responsible for late or no payment on the part of any of its Members. The Township will have no separate credit or deposit policy.

### 9. Procedures for Handling Customer Complaints and Dispute Resolution

Members have multiple means of addressing complaints. As a general rule, concerns regarding service reliability should be directed to Duke Energy, questions regarding the Program administration should go to the Township, billing questions should be directed to Duke Energy/the selected supplier and any unresolved disputes should be directed to the Public Utilities Commission of Ohio and/or The Ohio Consumers’ Counsel. Listed below is a table of toll-free numbers for members to call for assistance.

Nature of Complaint	Contact	Phone Number
Service interruptions or emergencies	Duke Energy	1-800-543-5599
Service turn on/off	Duke Energy	1-800-544-6900
Billing disputes – Delivery Charges	Duke Energy	1-800-544-6900
Billing disputes – Supplier charges	FirstEnergy Solutions	1-866-636-3749
Joining/Leaving Program	FirstEnergy Solutions	1-866-636-3749
Aggregation Program Questions	West Chester Township Independent Energy Consultants	(513) 777-5900 1-888-862-6060
Unresolved Disputes	Public Utilities Comm. (voice)	1-800-686-7826
Unresolved Disputes	Public Utilities Comm. TDD/TTY	1-800-686-1570
General Information – residential	Ohio Consumers’ Counsel	1-877-742-5622

### 10. Moving Into/Within the Township of West Chester

Utility rules require that people moving into a different residence, new construction or otherwise, be assigned a new account number and be served for at least one month by the local utility before they can switch to a new supplier. The above-mentioned are examples of utility rules approved by the PUCO that will impact the operation of West Chester’s aggregation program.

Residents and businesses that move into the Township will not be automatically included in the Township’s Program. The Township cannot guarantee the rates, terms and conditions to Members enrolling after the 21-day opt-out period of the initial enrollees. Members wishing to opt-in to the Program may contact the Township or the CRES supplier to obtain enrollment information. There is, however, no guarantee that customers opting-in at a later date will receive the same price, terms and conditions as did the initial participants. The selected CRES supplier’s decision whether or not to extend an offer will be based, in part, on the market prices at the time of request.

Members who move within the Township limits and are assigned a new account number by Duke Energy will be treated in the same manner as a new resident. They will not be automatically enrolled, but may contact the CRES supplier concerning re-enrollment. Once again, there is no guarantee that the CRES Supplier will extend an offer, or an offer that is the same as that of the initial enrollees.

#### **11. Moving Within the Township and Maintaining the Same Account Number**

The selected CRES Supplier shall continue service at the same rate and under the same terms and conditions for any Member who relocates within the Township prior to the expiration of the contract term, providing that the Member notifies the CRES Supplier of their desire to do so with thirty (30) days written notice. Moving within the Township may cause the Member to be served for a brief period of time by the local utility. The CRES supplier shall have the right to bill the participant for any associated switching fee imposed by Duke Energy.

#### **12. Joining the Aggregation Group after Opting-Out**

Members who have left the aggregation group and wish to rejoin at a later date are treated in the same manner as new residents moving into West Chester. These customers may contact the Township or the CRES supplier at any time to obtain enrollment information. There is however, no guarantee that customers opting-in at a later date will receive the same price, terms and conditions as did the initial participants.

#### **13. Reliability of Power Supply**

The Program will only affect the generation source of power. Duke Energy will continue to deliver power through their transmission and distribution systems. Responsibility for maintaining system reliability continues to rest with Duke Energy. If Members have service reliability problems they should contact Duke Energy for repairs. The PUCO has established "Minimum Reliability Standards" for all utilities operating distribution systems in Ohio. Customer outages, duration of outages, interruptions, etc., are monitored to ensure reliability remains at satisfactory levels.

In addition to maintaining the "wires" system, Duke Energy is required to be the "Provider of Last Resort." This means, should the selected CRES supplier fail for any reason to deliver any or all of the electricity needed to serve the Members' needs, Duke Energy will immediately provide for the shortfall. Duke Energy would then bill the supplier for the power provided on their behalf. The Members would incur no additional cost.

#### **14. Supplier Qualification Selection Criteria**

Only Suppliers meeting strict criteria will be considered.

- Suppliers will need to be certified by the Public Utilities Commission of Ohio
- Registered with Duke Energy Corporation to do business in their service territory. Both the certification and registration ensure that Suppliers possess the managerial, technical, and financial competence to perform the services they offer.

## West Chester Township Exhibit A-3 “Operation and Governance Plan”

- Successfully completed Electronic Data Interchange (EDI) computer system testing with Duke Energy to support Governmental Aggregation Program transactions.
- Agree to hold harmless the Township from any financial obligations arising from the Program.
- The selected CRES supplier will need to agree to notify the Township and negotiate with the Township at least 60 days in advance of attempting to terminate the agreement for any reasons other than (i) the scheduled end date or (ii) Force Majeure.
- The selected CRES supplier shall demonstrate its creditworthiness by possessing an investment grade long-term bond ratings from at least two of the following rating agencies:

Standard & Poors	BBB or Higher
Moody's Investors' Services	Baa3 or Higher
Fitch ICBA	BBB or Higher
Duff & Phelps	BBB or Higher

Should the CRES supplier be unable to demonstrate its creditworthiness, the supplier will be required to provide:

- a Letter of Credit; or
- a Parental Guaranty from a company that is deemed creditworthy; or
- a Surety Bond.

Details of the credit type and amount will be subject to negotiation.

### **15. Miscellaneous**

The Township will maintain a copy of this Plan of Operation and Governance on file at its Administrative office. This Plan will be kept available for public inspection. It will, upon request, be copied for any existing or potential Members of the aggregation in accordance with the Township rules for copying public documents.

The Township will not alter its Operation and Governance Plan in any way that would materially affect the customers of the aggregation without first providing notice to all affected Members and providing these Members the opportunity to opt-out of the aggregation according to the procedures established for the initial opt-out disclosure notice set forth in rule 4901:1-21-17 of the Administrative Code. In the event of a material change, the Township will provide a notice explaining the changes to the Plan, and informing the Members of their right to opt-out of the aggregation without penalty, and identifying the method and time frame for the customer to opt-out.

The Township or the selected CRES supplier will not issue an Opt-Out Notice before the Township has obtained its certification as a Governmental Aggregator of electricity from the Public Utilities Commission of Ohio.

The success of the Township's Aggregation Program relies in part to the cooperation it receives from Duke Energy. In addition to other tasks, the Duke Energy must turn over

## West Chester Township Exhibit A-3 "Operation and Governance Plan"

accurate customer data and perform the customer switching process in a timely manner. The Township will comply with PUCO rules, and will hold the Duke Energy to its obligations under the same.

The Electric Aggregation Program may be terminated upon the termination or expiration of the supply contract without any extension, renewal or subsequent supply contract being negotiated. Each individual Member receiving electric supply service under the Program will receive notification 45-90 days prior to termination of the Program. In the event of termination, Members in the Township aggregation program would either return to Duke Energy supply service or choose a CRES supplier on their own.

If the Township is unable to find a satisfactory offer at the end of an existing supply agreement, they have the option of maintaining their status as a Governmental Aggregator while they continue to seek offers for their Members.

October 17, 2013

Dear West Chester Township Aggregation Customer,

West Chester Township's aggregation program provides you the opportunity to receive exclusive low pricing on your electric bill. Governmental aggregation is a community purchasing program where community officials bring together citizens to gain group buying power for the purchase of electricity from a retail electric generation provider certified by the Public Utilities Commission of Ohio.

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., provides electric generation for your community's electric aggregation program. **There is no cost and no action is required to join the program.** Please see the enclosed FAQs for more information.

By participating in this aggregation program, you will receive exclusive low pricing on your electric generation. The chart below shows the details of this program:

The West Chester Township program was approved by voters in your community in November 2005.

Your Local Electric Utility	FES Price	Term End Date	Opt Out Deadline	Early Termination Fee
Duke Energy Ohio	5.02¢ per kWh	December 2015	November 7, 2013	\$0

As a new member of the program, you will receive exclusive low pricing on your electric generation from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in West Chester Township's electric governmental aggregation program. If you do not want to participate in this program, you have until the opt-out deadline to return the attached "opt-out" form. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates, terms and conditions that apply to other customers served by your local utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program.

Your local electric utility will send a letter confirming your selection of FirstEnergy Solutions as your electric generation provider. As required by law, this letter will inform you of the option to cancel your contract with FirstEnergy Solutions within seven days of its postmark. To remain a member of West Chester Township's electric governmental aggregation program, no action is required when this letter arrives.

Duke Energy Ohio will continue to maintain the system that delivers power to your home – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included.

If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. West Chester Township voters made this program possible, but specific questions about the program should be addressed with the supplier.

Sincerely,

First Energy Solutions and  
Judith C. Boyko, West Chester Township Administrator

P.S. To receive this rate, **you should not respond.** Return the opt-out form only if you **do not want** to participate in West Chester Township's electric governmental aggregation program.

OPT-OUT FORM – ELECTRIC GOVERNMENTAL AGGREGATION PROGRAM

<b>Option 1: Do nothing and join.</b> If you want to participate in this program, you do not need to return this form. Your enrollment is automatic.	<b>OR</b>	<b>Option 2: Opt out by returning this form.</b> If you do not want to participate in this program, you must return this form before the due date.
---	-----------	---

By returning this signed form, you will not be part of your community's electric aggregation program.

☐ I wish to opt out of my community's electric aggregation program. (Check box to opt out.)

Mail by November 7, 2013 to: West Chester Twp Electric Governmental Aggregation Program, 341 White Pond Drive, Bldg. B-2, Akron, Ohio 44320

## FirstEnergy Solutions Corp. - Residential & Small Commercial Terms and Conditions

These Terms and Conditions together with the enrollment information are your agreement for electric generation service with FirstEnergy Solutions Corp. ("FES") if you choose to remain in the community aggregation program by not "opting-out" or exercising the right of rescission. Please keep a copy of this agreement for your records.

FES is certified by the Public Utilities Commission of Ohio ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, FES will supply the electric generation to your Electric Distribution Utility ("EDU") based on your usage. Your EDU then distributes or delivers the electricity to you. FES sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

### DEFINITIONS:

**Generation Service** – The production of electricity.

**Transmission Service** – Moving high voltage electricity from a generation facility to the distribution lines of an EDU.

**Distribution Service** – Physical delivery of electricity to customers by EDU.

**RIGHT OF RESCISSION** – If you do not opt-out and are enrolled to receive generation service from FES, your EDU will send you a confirmation letter. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section 4928.141 of the Ohio Revised Code unless you choose an alternate supplier of electricity.

### TERMS AND CONDITIONS OF SERVICE

- 1. Eligibility.** Only Residential Customer accounts not enrolled in the Percentage of Income Plan Program (PIPP) and small commercial customers with a peak demand below 100 KW are eligible for this offer from FES. FES reserves the right to refuse enrollment to any customer with an outstanding balance.
- 2. Basic Service Prices.** During the term of this Contract, you agree to pay FES for a total combined Transmission, Generation, and Generation Related Charges. You will be billed at the fixed price per KWh per billing month, as specified in the opt-out notification. Your Price to Compare consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES. In addition to FES' charges, you will be charged by your EDU for distribution and various other charges. FES reserves the right to unilaterally modify this billing format in the event the EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the Price to Compare.
- 3. Length of Agreement.** As a part of your community's program, your service from FES will commence with the next available meter reading and after processing of the enrollment by your EDU, and will continue for the term as specified in the opt-out notification, ending on the meter read for the last month of service.
- 4. Billing.** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. FES does not offer budget billing. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges. Further, your failure to pay EDU charges may result in your electric service being disconnected in accordance with the EDU tariff.
- 5. Penalties, Fees and Exceptions.** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.
- 6. Cancellation/Termination Provisions.** If this agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. *Should you cancel service with FES and return to standard service offer with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.*
- 7. Customer Consent and Information Release Authorization.** By choosing not to opt-out of your community's aggregation program, you understand and agree to the terms and conditions of this Agreement with

FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7 day rescission period and subsequent acceptance of the enrollment by your EDU.

- 8. Contract Expiration.** At least every three years, you will be given the opportunity to opt-out of your community's aggregation program. You are responsible for arranging for your electric supply upon termination of this Contract.
- 9. Dispute Procedures.** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8AM – 5PM EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320. Our web address is [www.firstenergysolutions.com](http://www.firstenergysolutions.com). If your complaint is not resolved after you have called your electric supplier and/or your electric utility, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio for assistance at 1-800-686-7826 (toll free) or TTY at 1-800-686-1570 (toll free) from 8:00 am to 5:00 pm weekdays or at [www.PUCO.ohio.gov](http://www.PUCO.ohio.gov). Customers may also call the Ohio Consumers' Counsel (OCC) at 1-877-742-5622 (toll free) from 8:00 am to 5:00 pm weekdays or at [www.pickocc.org](http://www.pickocc.org).

- 10. Miscellaneous.** You have the right to request from FES, twice within a 12 month period, up to 24 months of payment history, without charge.

FES will not release your Social Security number and/or account number(s) without your written consent.

FES' environmental disclosure statement is available for viewing on our website – [www.firstenergysolutions.com](http://www.firstenergysolutions.com). You agree that FES will make the required quarterly updates to the statement electronically on our website. We will also provide the information upon request.

FES may assign its rights to another, including any successor, in accordance with the rules and regulations of the PUCO.

FES assumes no responsibility or liability for the following items that are the responsibility of the EDU: operation and maintenance of the EDU's electrical system, any interruption of service, termination of service, or deterioration of the EDU's service. In the event of a power outage, you should contact your local EDU.

Customer is responsible for providing FES with accurate account information. If said information is incorrect, FES reserves the right to reprice the applicable account(s) or terminate the agreement.

FES reserves the right to return any customer to the EDU if the customer's rate code is changed and the account is no longer eligible for this program.

- 11. Warranty.** FES warrants title and the right to all electricity sold hereunder. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE.

## **West Chester Township Electric Governmental Aggregation Program Frequently Asked Questions**

### **What is aggregation?**

Under governmental aggregation, citizens are brought together to gain group buying power for the purchase of electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio.

### **How is the Township able to choose a certified electric generation supplier on my behalf?**

In November 2005, West Chester Township voters approved an opt-out aggregation program authorizing the Township to contract for an electric generation supplier on their behalf.

### **Who is the certified electric generation supplier?**

FirstEnergy Solutions Corp., an Ohio-based company and a subsidiary of FirstEnergy Corp., is the supplier for the Township's electric aggregation program. FirstEnergy Solutions Corp. offers a wide range of energy and related products and services, including the generation and sale of electricity and energy planning and procurement. FirstEnergy Solutions is a leading competitive supplier of energy to residential and commercial and industrial customers in Ohio, Pennsylvania, New Jersey, Maryland, Illinois and Michigan.

### **Is the price for electric generation service provided through the program fixed, or does it vary?**

Beginning with January 2014 meter read dates and continuing through December 2015 meter read dates, participating customers price for electric generation will be fixed at 5.02¢ per kilowatt-hour (kWh).

### **I am already a participating customer in this program, why am I receiving this letter?**

As a current participant of the Township's electric aggregation program, you are given the opportunity to opt-out of the program at least every three years at no charge. Your previous contract with FirstEnergy Solutions is coming to an end, and this is your opportunity to either opt-out or continue to receive program pricing with FirstEnergy Solutions.

### **What do I need to do if I want to be included in this governmental aggregation?**

You do not need to do anything to receive the discounted generation pricing under this program. You may choose to be in the aggregation group and begin receiving the program price by simply **not** returning the opt-out form.

### **What should I do if I do not want to be included in this governmental aggregation?**

You are not obligated to participate in the aggregation program. If you choose not to participate, you must take action to opt out. "Opt out" means you can decide not to participate in the Township's electric governmental aggregation program. By returning the opt-out form, which is included in this mailing, by the due date, you will not be enrolled as an electric generation customer with FirstEnergy Solutions and you will not receive the program pricing.

### **What happens if I do not send in the opt-out form?**

If you do not return the opt-out form postmarked by the due date, you will be included in the Township's governmental aggregation program and will begin receiving electricity from FirstEnergy Solutions at the price set for the program, 5.02¢ per kilowatt-hour (kWh) through December 2015.

### **Can I opt out over the phone?**

No, to opt out of the program you must mail in the completed opt-out form and it must be postmarked by the due date.

### **Can I exit this program without penalty?**

Yes, you can leave this program free of charge, at any time and for any reason.

### **What are my energy supply choices if I decide to opt out?**

You will return to your local electric utility for generation or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the Public Utilities Commission of Ohio and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

### **If I join the Township's electric aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?**

Duke Energy Ohio will continue to maintain the system that delivers power to your home and will be responsible for reading the meter and responding to emergencies and power outages. . Because Duke Energy Ohio still owns the wires and poles that deliver power to you, it will continue to read your meter and restore power after an outage.

### **If I join the aggregation, can I stay on budget billing?**

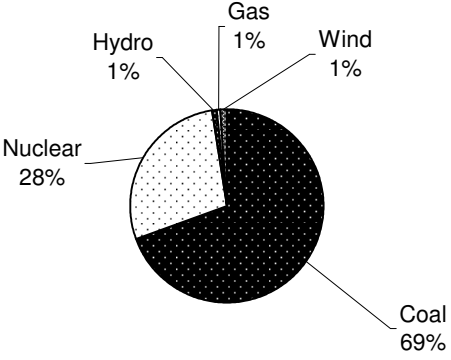

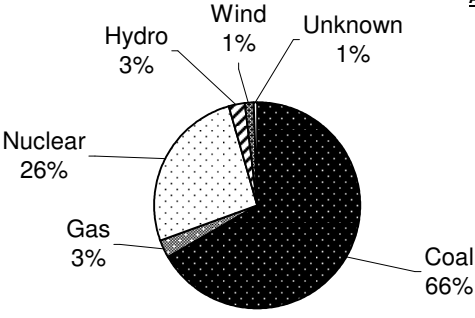

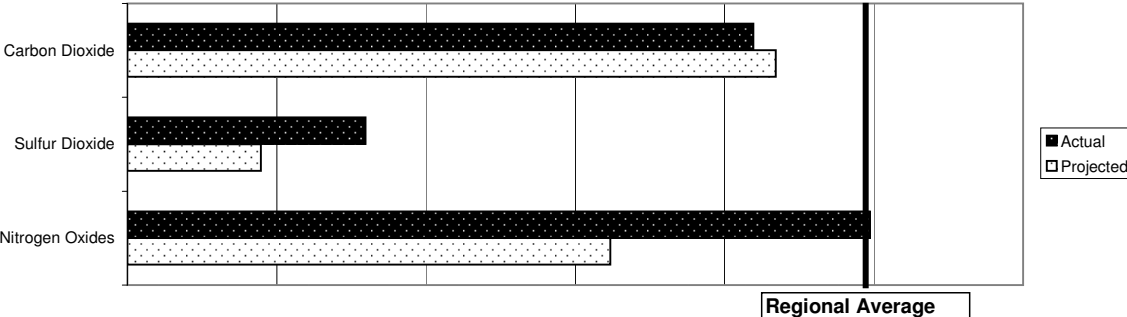

Yes, you can remain on budget billing.

**Can I still have my payment automatically deducted from my checking account as I do now?**

Yes. How you pay your electric bill will not change.

For answers to questions not found here, please call 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. West Chester Township is pleased to have made this program possible, but asks that specific questions about the program be addressed with the supplier.

## West Chester Township Exhibit A-5 "Experience"

West Chester Township is well versed in negotiating, contracting and providing for common services to the Township residents. Some examples of experience as a service provider are:

1. Police Service
2. Fire Service
3. Parks and Recreation
4. Service Department

The Administrator, Township Trustees and Township Staff routinely negotiate for services and supplies that benefit the residents of West Chester. However, due to the complexity of Governmental Aggregation, the Township has hired Independent Energy Consultants, Inc. (Resolution Number 23-2005) to assist them in designing, implementing and maintaining the Program. Independent Energy Consultants are:

- Certified Electric Aggregators and Brokers #04-116(5) in the State of Ohio.
- Certified Natural Gas Aggregators and Brokers #04-078(5) in the State of Ohio.
- Licensed Electric and Natural Gas Aggregators and Brokers #A-17 in the State of Virginia.
- Licensed Agent/Broker/Consultant in the State of Illinois.

Independent Energy Consultants, Inc. currently manages approximately 50 natural gas and electric aggregation programs that impact approximately 100 communities across Ohio. Contact information for Independent Energy Consultants is:

Independent Energy Consultants, Inc.  
215 W. Garfield Road, Suite 210  
Aurora, Ohio 44202  
Phone: 330 995-2675  
Fax: 800 574-4508  
Email: [info@naturalgas-electric.com](mailto:info@naturalgas-electric.com)  
[www.naturalgas-electric.com](http://www.naturalgas-electric.com)

Among other services, Independent Energy Consultants, Inc. will:

- Draft and assist in maintaining this Plan of Operation and Governance
- Lead the required Public Hearings and attend Board of Trustees meetings
- Assist the Township in the day-to-day administration of program (problem resolution, press releases, PUCO compliance, supplier liaison, contract review, etc.)
- Design and issue the Request for Proposal, analyze supplier responses and provide recommendations for the supply agreement

## West Chester Township Exhibit A-5 “Experience”

- Review customer data provided by Duke Energy that would serve as the basis for an Opt-Out Notice
- Write/prepare reports on a quarterly/annual basis to the Township, PUCO, PUCO’s Market Monitoring division, and the Ohio Consumers’ Counsel.

West Chester Township will not take title to electricity, issue bills, read meters or staff a call center for complaints. Those functions will be provided by Duke Energy and the selected CRES supplier as detailed in Section 9 of its Plan of Operations and Governance. The Township will comply with its responsibilities as a Governmental Aggregator (ORC 4928.10) and will respond to questions concerning the Aggregation Program.
