## INDEPENDENT AUDITORS' REPORT

To Duke Energy Ohio, Inc.:

We have examined the periodic filings of Duke Energy Ohio, Inc. (the "Company") which support the gas cost recovery ("GCR") rates for the monthly periods ended September 27, 2012, October 28, 2012, November 28, 2012, January 1, 2013, January 30, 2013, February 28, 2013, April 1, 2013, April 30, 2013, May 30, 2013, June 30, 2013, July 30, 2013 and August 28, 2013 for conformity in all material respects with the financial procedural aspects of the uniform purchased gas adjustment as set forth in Chapter 4901: 1-14 and related appendices of the Ohio Administrative Code. These filings and the Company's compliance with those requirements are the responsibility of the Company's management. Our responsibility is to express an opinion as to the accurate determination of GCR rates calculated within the monthly filings and as to whether those rates have been properly applied to customer bills based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the Company's computation of the GCR rates in accordance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.

In our opinion, the Company has accurately determined, in all material respects, the GCR rates for the periods stated above in accordance with the financial procedural aspects of the uniform purchased gas adjustment as set forth in Chapter 4901:1-14 and related appendices of the Ohio Administrative Code and properly applied the GCR rates to customer bills.

Specific findings, which are presented for the attention of the Public Utilities Commission of Ohio ("PUCO"), are attached in a separate memorandum entitled "Summary of Findings." This report is intended solely for the information and use of the Company, the PUCO, and the Ohio Consumers' Counsel and is not intended to be, and should not be, used by anyone other than these parties.
