NOTICE OF PROPOSED MAJOR UTILITY FACILITY

American Transmission Systems, Incorporated (Applicant), a FirstEnergy Company, has filed an application with the Ohio Power Siting Board (Board) in Case No. 13-2112-EL-BTA seeking to amend its certificate of environmental compatibility and public need issued to construct the East Springfield-London-Tangy 138 kV Transmission Line Project in Clark, Delaware, Madison and Union counties, Ohio, approved by the Board in Case Number 11-4884-EL-BTX. The purpose of the Amendment is to adjust the approved route to reflect seven changes. Four changes were requested by property owners. Three changes are requested by the Applicant to avoid impacts to high quality wetlands, avoid stormwater ponds, and accommodate substation engineering design. The adjustments are generally located in the following areas: North and South of U.S. 40 in Clark County, South of State Route 29, Northeast and Southwest of Mitchell Dewitt Road in Union County, West and East of Bell Road in Union County, South of U.S. Highway 42 North in Union County, Northeast and Southwest of Mills Road in Delaware County, and near the Tangy Substation off Bunty Station Road in Delaware County. The Applicant believes the adjustments to the approved route can be reasonably accommodated without significant increased impacts and have therefore proposed the adjustments in the Amendment. In the event one or more of the proposed adjustments are not approved by the Board, the Applicant intends to proceed with constructing that portion of the project on the route previously approved by the Board. More information may be obtained by writing to the offices of the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215 or calling the Board at 1-866-270-6772. A copy of the Amendment application is available at the Board's main office at 180 East Broad Street, 11th Floor, Columbus, Ohio 43215. Copies of the Amendment Application have been provided to the Clark County Public Library; Delaware Main Library; Hurst/Battelle Memorial Library; London Public Library; Plain City Public Library; and Marysville Public Library. Interested persons wishing to comment on or raise objections to the proposed Amendment may do so by filing written comments and, if desired, a request for a hearing, specifically referencing Case No. 13-2112-EL-BTA, with the Board within 10 days of the publication of this notice.
