**Application for Certificate of Environmental Compatibility and Public Need
Z-167 Pipeline Replacement
Case Number 13-1651-GA-BTX**

Dear Ms. Bloomfield and Mr. Stinson:

This letter is to inform you that the above referenced application, filed with the Ohio Power Siting Board (Board) on September 20, 2013, and amended on November 15 and 20, 2013, has been found to comply with Chapters 4906-01, et seq., of the Ohio Administrative Code (OAC). This means that the Board's Staff has received sufficient information to begin its review of this application. During the course of its investigation, the Staff may request additional information to ensure a full and fair assessment of this project.

Pursuant to Board rules, the certified application and supplements must now be filed with the Board in accordance with the provisions of OAC Rules 4906-5-06 and 4906-5-07. In summary form, these rules require:

1. Serving copies of the certified application upon appropriate government officials and public agencies. In this regard, please inform these officials in writing that if they wish to intervene in the proceedings they must file a notice of intervention with the Board within thirty days of being served a copy of the application.
2. Filing Proof of Service with the Board.

Upon completion of these requirements, you will be notified of the effective date of filing and the date and location of the public hearing.

Please be informed that under Section 4906.04 of the Ohio Revised Code (ORC), the applicant shall not commence to construct any portion of the facility prior to obtaining a certificate from the Board.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
