**FOURTH STATUS UPDATE**

---

On August 15, 2013, Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (the “Companies”) moved for a stay of the procedural schedule in this matter, which was granted on August 19, 2013. In the Entry granting the stay, the Attorney Examiner requested that “an update on the status of the settlement discussions” be provided to the Attorney Examiner by August 30, 2013. Pursuant to this directive, the Companies filed a status report in which they indicated that they would provide a further update on or before September 30, 2013 which was, indeed, timely filed. In the September filing, the Companies requested an extension of the stay with a commitment to file a further status update by October 31, 2013. In the October filing the Companies committed to submit another update by the end of November.<sup>1</sup> Pursuant to this commitment, the Companies hereby submit this fourth status update to inform the Attorney Examiner that the parties met on December 3, 2013 and that all parties agree that the discussions during said meeting furthered the possibility for settlement. Based on these discussions, the Companies committed to memorialize the discussions in a proposed settlement and provide it to the parties within a week of the

meeting. The parties then intend to meet before the end of the year (schedules permitting) to try to finalize the terms. All parties agreed that a further stay of the procedural schedule is warranted.

Accordingly, the Companies ask that the stay of the procedural schedule remain in place, with the Companies providing another update on or before January 31, 2013.

Respectfully submitted,
