The Ring, Kenny Residence – K Ring facility has added an additional 1.470 kW capacity to their existing solar facility. The total capacity of the system is now 12.530 kW. The addition consisted of 6 SolarWorld SW 245 poly at 245 watt panels and 6 Enphase M215 inverters. The expansion is utilizing the same meter as the original system – ABB type AB1 (Serial # 99031659) . The addition was completed on 11/07/2013 and the attached photo was taken on 11/07/2013.

Please update your records to reflect the expansion. We will also submit a system change request to GATS. If you need any additional information, please feel free to contact me at the number below.

Best,
