In the Matter of the Application of Ohio Oil Gathering II, LLC to Abandon Service and to be Removed from the List of Regulated Utilities.) Case No. 13-2204-GA-ABN)

In the Matter of the Application of Ohio River Valley Pipeline, LLC to be Added to the List of Regulated Utilities.) Case No. 13-2205-GA-UNC)

FINDING AND ORDER

The Commission finds:

- (1) Ohio Oil Gathering II, LLC (OOGII) is a public utility and pipeline company subject to the jurisdiction of the Commission, pursuant to R.C. 4905.02 and 4905.03.
- (2) On November 13, 2013, OOGII and Ohio River Valley Pipeline, LLC (ORVP) (jointly referred to as Applicants) filed an application in the above-captioned cases requesting that OOGII be removed from the list of utilities regulated by the Commission and ORVP replace OOGII on the list of regulated utilities. In support of their application, Applicants state that, on January 1, 2014, all of OOGII's pipeline assets will be transferred to ORVP by Crosstex Energy Services, L.P., which is the holding company that is the sole member of both OOGII and ORVP. Applicants submit that, as a result of the asset transfer, OOGII will no longer be a public utility under the Commission's jurisdiction and ORVP will become a regulated public utility and pipeline company pursuant to R.C. 4905.02 and 4905.03. Therefore, Applicants request that, effective January 1, 2014, OOGII be removed from, and ORVP be added to, the list of utilities regulated by the Commission.
- (3) Upon consideration of the application filed in these cases, the Commission finds that it is reasonable and should be granted.

It is, therefore,

ORDERED, That the application filed by OOGII and ORVP be granted and, effective January 1, 2014, OOGII be removed from, and ORVP be added to, the list of utilities regulated by the Commission. It is, further,

ORDERED, That a copy of this Finding and Order be served upon all parties of record.
