A. Message Rate

Message Rate Service consists of a fixed monthly rate for usage packages which includes a monthly local usage allowance in the monthly rate. Each local call is charged on a message unit basis and an additional charge is made for local messages in excess of the allowance. The allowance, if not used during one month, is not credited to the customer's account for any other month that service is provided.

Monthly Recurring Charges

The following charges apply to Standard Business Local Exchange Service lines per month for customers located in the Verizon Calling Areas. Rates and charges include Touchtone Service for each line. The rates and charges below apply to service provided on a month-to-month basis. All business services are measured.

A. Flat Rate Calling Service

Flat Rate Local Calling Service provides the customer with unlimited local calls within their local calling area for one flat monthly rate. A local calling area includes their home location and any EAS (Extended Area Service) locations that are available for their service area. Regional toll calls (outside the local area, but within regional boundaries) will be billed separately per minute.

B. Usage Sensitive Charges and Allowances

Each call to a telephone number within the customer's exchange area is charged on a usage basis. Extended area usage rates apply to calls made to certain exchanges outside the customer's exchange area. Usage charges apply on customer-dialed station-to-station calls charged to the calling party. Where operator assistance is utilized, the usage charges apply in addition to the charge for operator assistance on local messages. The additional charge for operator assistance would apply if the calling party wants the call billed to another local telephone number.
