Dear Mr. Lambeck,

This letter is in response to the Opinion and Order and Certificate issued on November 24, 2008 for the Geauga County 138 kV Transmission Line Supply Project, as well as the Amendment to the project on the above captioned submittals to the Ohio Power Siting Board. In compliance with condition 43 of the November 24, 2008 Opinion and Order and Certificate, please be advised that the Geauga County 138 kV Transmission Line Supply Project began commercial operation earlier today, December 19, 2013. *Minor construction activities, primarily maintaining erosion controls while vegetation becomes reestablished in areas disturbed by construction, are still underway and are expected to be completed in a few months.* We will provide a notification letter when all construction activities are completed.

If you have any questions regarding this project, please contact me at (330) 761-4268.

Sincerely,

Ted Krauss,
Manager Siting, Survey & Right-of-Way
FirstEnergy Service Company
