Public Utilities Commission of Ohio

(I am a widow on limited income)

I just received information  
concerning your proposal  
(12-21-12) requesting \$62  
million from customers for the  
cost of restoring service to customers  
after the storm damages of  
6-29-12.

Wow I wish I could  
just keep my ~~meager~~ meager  
income from decreasing every  
year. I just got notification  
today that my health insurance  
took more from my small  
income again beginning 1-1-14.

I feel this is not  
appropriate to increase  
our electric bill due to an  
act of God. I was out of  
service for a week & lost every  
thing in my freezer.  
Sincerely Patricia Stegell
