**Re: Additional Supplement to EarlyBird Power LLC's Certification  
Application for Retail Natural Gas Brokers/Aggregators, Case No. 14-  
0005-GA-AGG**

Dear Ms. McCauly:

On January 6, 2014, EarlyBird Power LLC ("EarlyBird") filed its Certification Application for Retail Natural Gas Brokers/Aggregators. Section A-8 of that application required, pursuant to Ohio Revised Code ("ORC") § 4929.22, that EarlyBird provide proof of an Ohio office and employee. Due to a misunderstanding of ORC § 4929.22's applicability, EarlyBird did not include this information with its January 6, 2014 filing.

Attached to this letter is the information required by Section A-8 of the Certification Application for Retail Natural Gas Brokers/Aggregators concerning EarlyBird's Ohio office and employee. An earlier filing of this information, on January 9, 2014, still contained incomplete information.

If you have any questions please call at the number listed above.

Respectfully submitted on behalf of,  
EarlyBird Power LLC

**A-11 (Check all that apply) Identify each natural gas company service area in which the applicant is currently providing service or intends to provide service, including identification of each customer class that the applicant is currently serving or intends to serve, for example: *residential, small commercial, and/or large commercial/industrial (mercantile) customers*. (A mercantile customer, as defined in Section 4929.01(L)(1) of the Ohio Revised Code, means a customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within the state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside of this state. In accordance with Section 4929.01(L)(2) of the Ohio Revised Code, “Mercantile customer” excludes a not-for-profit customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within this state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside this state that has filed the necessary declaration with the Public Utilities Commission.)**
