

**Case No. 13-2391-EL-REN
Straeter, Jim & Melinda - J & M Straeter
Staff Interrogatories – Initial Set – Responses**

Question 1: The array photograph provided in Section G of the application is unclear and distorted. Please provide a clearer photograph of the renewable generating facility.

Answer 1:

This is the photo as it was submitted by the client (cropped in this manner).

Question 2: For section N please provide a right-side-up photograph of the meter this facility is using.

Answer 2:

Dear Ms. Umberger:

This is a reminder to please respond to Question 1 of the staff interrogatories for Case No. 13-2391-EL-REN Straeter, Jim & Melinda - J & M Straeter. I am aware of the website technical problems related to the meter photos appearing improperly rotated, so you do not need to send a response to Question 2.

This foregoing document was electronically filed with the Public Utilities
