4 EXAMINER JENNINGS: We are here for the  
5 workshop scheduled for today in Case No.  
6 13-2317-TR-ORD being captioned in the Matter of the  
7 Commission's Review of Chapter 4901:2-1 Regarding  
8 Motor Carrier Tax Payments and Annual Reports and  
9 Chapter 4901:2-13 Regarding Motor Carrier Insurance.

10 My name is Doug Jennings. I am an  
11 Attorney Examiner assigned by the Commission for this  
12 case.

13 Before I get started I would like to give  
14 a brief overview of why this workshop has been  
15 scheduled. The workshop is being held in response to  
16 the issuance of the Governor's Common Sense  
17 Initiative as well as Section 121.82 of the Revised  
18 Code which requires the Commission to evaluate its  
19 rules against business impact analysis and provide  
20 that analysis to the Common Sense Initiative Office.

21 In incorporating the Common Sense  
22 Initiative into our rule review process the  
23 Commission has determined that it is appropriate for  
24 its staff to hold a workshop with interested  
25 stakeholders. The purpose of this workshop is to get

1 input regarding the rules addressing the motor  
2 carrier tax payments and annual reports and also  
3 motor carrier insurance rules.

4 I want to emphasize that this is only  
5 parties' initial opportunity to provide feedback on  
6 the current state of the rules. The Commission will  
7 issue a proposed set of rules at some point following  
8 this workshop and will utilize the same comment and  
9 reply comment process that is typically established.

10 At that point stakeholders will have the  
11 opportunity to formally offer any recommendation and  
12 file comments, reply comments. Today's workshop is  
13 intended to seek initial thoughts and any  
14 recommendations on how the rules could be improved.

15 I will reiterate that Commission entry  
16 issuing proposed rules for comment will be following  
17 in the near future.

18 I will note for the record that no  
19 stakeholders have appeared for the workshop. And  
20 that being the case, I will adjourn this matter, and  
21 the stakeholders will have an opportunity to file  
22 comments in response to proposed rules.

23 If there is nothing further, thank you.

24 (Thereupon, the hearing was concluded at  
25 10:14 a.m.)
