Dear Mr. Bellamy:

The City of Akron respectfully requests that PUCO application 14-0078-EL-REN be withdrawn from review so that we may re-file a new application as an expansion of an existing facility with added generation capacity.

We appreciate the PUCO's timely assistance in helping the City of Akron with modifying its Renewable Energy Credit application.

If you need any additional information please contact me at 330-375-2965 or email me at [TFSmith@akronohio.gov](mailto:TFSmith@akronohio.gov).

Sincerely Yours,

Thomas F. Smith, P.E., Senior Engineer
