Re: Case No. 13-2071-GA-ATA
Columbia Gas of Ohio, Inc.

Dear Ms. McNeal:

Honda of America Manufacturing, Inc. supports the October 11, 2013 application of Columbia Gas of Ohio and urges the Commission to approve it. This application would allow customers of Columbia to supply or sell natural gas for use as a vehicle fuel, increasing the transportation options available to the citizens of Ohio consistent with the public policies of both the state and nation.

Thank you in advance for your consideration.

Sincerely yours,

Gregory D. Russell
