MEMORANDUM IN SUPPORT

Barnesville filed its Renewal Application for Natural Gas Governmental Aggregation on February 27, 2014. The delay in filing was as a result of difficulty in obtaining signatures on the Operation and Governance Plan (Exhibit B2 of the Renewal Application for Natural Gas Governmental Aggregation). The certificate expires on March 26, 2014. This will not provide the PUCO with the requisite thirty (30) days to review the renewal application before the expiration date. Barnesville requests that its current certification be extended until April 1, 2014.

Barnesville maintains that this extension will not prejudice any party.

Wherefore, Village of Barnesville respectfully requests that the Commission grant its Motion for Extension of Certification Expiration Date.

Respectfully submitted,

By: /s/ John L. Einstein, IV
