ENTRY

The attorney examiner finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in R.C. 4905.02 and, as such, is subject to the jurisdiction of this Commission.
- (2) On December 30, 2013, DP&L filed an application for authority to transfer or sell its generation assets. In its application, DP&L sought multiple waivers, including a waiver of any requirement that the Commission conduct a hearing in the matter and a waiver of the requirement to state the fair market value of the generation assets to be transferred.
- (3) On January 3, 2014, the attorney examiner established a procedural schedule with a deadline for the filing of comments and reply comments. Subsequently, on February 25, 2014, DP&L filed a supplemental application to transfer or sell its generation assets.
- (4) In order to assist the Commission in its review of DP&L's supplemental application, the following procedural schedule should be established:
 - (a) March 25, 2014 - Deadline for the filing of comments/objections to the supplemental application by Staff and interveners.
 - (b) April 7, 2014 - Deadline for all parties to file reply comments.
- (5) After comments and reply comments are received and the issues raised therein considered, a decision will be made regarding the requests for waivers.

It is, therefore,

ORDERED, That the procedural schedule set forth in finding (4) be adopted. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record in this case.
