COMMENT DESCRIPTION:

I want to be on record as being opposed to the Hardin Wind (Turbine) project. I live at Long Island which is approximately 2 miles from the closest wind turbine. I didn't buy lakefront (Indian Lake) property to look out my windows and see 500 ft. wind turbines in my sunrises. It will lessen the value of my property because of the unsightly behemoths in the air. This is a senseless project, not worthy of defacing our beautiful environment at Indian Lake and Logan County.
