MOTION FOR EXTENSION OF TIME

In an Entry issued on November 6, 2013, the Commission directed Staff to issue a request for proposal (RFP) seeking an auditor to perform a compliance audit of the Ohio Edison Company's, The Cleveland Electric Illuminating Company's and The Toledo Edison Company's (collectively, the Companies) delivery capital recovery rider. Under the timeline set forth in the RFP, the draft audit report must be presented to Staff by March 10, 2014, and the final audit report must be filed with the Commission by March 21, 2014. For the reasons described in the attached memorandum in support, Staff requests that the due date for the draft audit report be extended to March 24, 2014, and that the filing date for the final audit report be extended to April 11, 2014. Staff also requests an expedited ruling as authorized by Ohio Adm. Code 4901-1-12(C). No party objects to the filing of this motion.

MEMORANDUM IN SUPPORT

Under the requirements of the RFP issued on November 6, 2013, the auditor is presently required to submit a draft audit report to Staff by March 10, 2014, with the final audit report being due to the Commission by March 21, 2014. Staff asks that the due date for the draft audit report be extended to March 24, 2014, and that the due date for the final audit report be extended to April 11, 2014, because the auditor still needs more time to review the relevant data. An expedited ruling on this motion is requested.

Respectfully submitted,
