COMMENTS: Dear Ohio Power Siting Board,

Concerning your upcoming meeting on Monday, March 17, 2014, I am urging you to vote "NO" on approval of Hardin Wind LLC and/or Ever Power to build wind turbines or any type of wind-powered electric generation facilities or substations in Logan County, Ohio which is on your agenda for this meeting. I live in Rushcreek Township, Logan County, and am concerned for my property values decreasing due to the very large number of wind turbines this company plans to build in our township and adjoining townships in both Logan and Hardin Counties. I am very much opposed to this wind turbine project due to its size. Therefore, I am urging you to vote "NO" on the approval of this project.

Sincerely,

Mrs. Louise Norris
