THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the 2014 Electric Long-)
Term Forecast Report and Resource Plan) Case No. 14-322-EL-FOR
of Duke Energy Ohio, Inc.)

ENTRY

The attorney examiner finds:

- (1) Ohio Adm.Code 4901:5-3-01(A) and 4901:5-5-06 require each electric utility and electric transmission owner to file annually a long-term forecast report (LTFR) and resource plan on or before April fifteenth of each year. Further, Ohio Adm.Code 4901:5-3-01(D) states that the Commission may grant an extension of the filing deadline for good cause shown.
- (2) On February 26, 2013, Duke Energy Ohio, Inc. (Duke) filed a motion for a waiver of the requirement that it file its LTFR and resource plan by April 15, 2014. Duke requests it be allowed to file its LTFR and resource plan on June 1, 2014. In support of its motion, Duke states that the extension is necessary so that it may complete its internal reporting process and provide current and accurate information. Duke further states that it does not anticipate that an extension of the filing deadline will unduly delay or unfairly prejudice any prospective intervenors.
- (3) Based on the short duration of the extension requested, the fact that no one filed a memorandum contra Duke's motion for an extension of time, and that an extension will not unduly delay this proceeding, the attorney examiner finds that the request is reasonable and good cause exists to grant the request. Accordingly, Duke shall file its LTFR and resource plan by June 1, 2014.

It is, therefore,

ORDERED, That Duke's motion for extension of time to file its LTFR be granted. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
