Columbus, Ohio 43215

RE: Copies of the application served upon public officials & public agencies
In the matter of the application of AEP Ohio Transmission Company for a Certificate of Environmental Compatibility and Public Need for the Biers Run-Hopetown-Delano 138-kV Transmission Line Project Case No. 13-0429-EL-BTX

Dear Chairman Snitchler:

As outlined in your letter dated March 6, 2014, regarding the Biers Run-Hopetown-Delano 138-kV Transmission Line Project, AEP Ohio Transmission Company, Inc. (AEP Ohio Transco) hereby files the certified application with the Ohio Power Siting Board in accordance with Ohio Administrative Code (OAC) Rules 4906-5-05, 4906-5-06 and 4906-5-07, following the below criteria:

1. In accordance with OAC Rule 4906-5-06, AEP Ohio Transmission Company, Inc. has served copies of the certified application upon the appropriate local officials. A copy of the transmittal letter that accompanied each application and the list of local public officials served are enclosed.
2. In accordance with OAC Rule 4906-5-07, AEP Ohio Transmission Company, Inc. hereby provides proof of service. All copies of the application were sent by UPS Ground on March 13, 2014. Attached are the copies of the receipts from each local government and public official or their representative.

Please confirm your acceptance of these filing requirements and notify AEP Ohio Transmission Company, Inc. of the effective date of the filing and the date and location of the public hearing.

Regards,

A handwritten signature in blue ink, appearing to read "Brett E. Schmied", enclosed within a large, loopy blue oval.

RE: Biers Run-Hopetown-Delano 138 kV Transmission Line Project
Ohio Power Siting Board Case No. 13-0429-EL-BTX

Dear Mr. Arledge:

AEP Ohio Transmission Company, Inc. (AEP Ohio Transco) is proposing to construct new electric transmission lines in Ross County to be known as the Biers Run-Hopetown-Delano 138 kV Transmission Line. On January 8, 2014, AEP Ohio Transco submitted a siting application to the Ohio Power Siting Board for the Biers Run-Hopetown-Delano 138 kV Transmission Line. In accordance with Ohio Administrative Code (OAC) 4906-5-05 (A)(1), the Ohio Power Siting Board certified this application as complete on March 6, 2014.

Pursuant to OAC 4906-5-06, we are sending you one copy of the certified application. As required by the Ohio Power Siting Board, the application includes information on justification of need, technical and financial data, and a socioeconomic and ecological analysis of the project.

We ask that this application be made available to the general public.

Copies of the Application have been distributed to local government officials and the local public library.

For additional details about the Ohio Power Siting Board and this project, please refer to the Ohio Power Siting Board website at <http://www.opsb.ohio.gov>. To view an electronic version of the application, search under current cases for Case # 13-0429-EL-BTX.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brett E. Schmied".
