Pursuant to Ohio Revised Code Section 4906.10(A) the Ohio Power Siting Board shall not grant a certificate for the construction, operation, and maintenance of a major utility facility, either as proposed or as modified by the Board, unless it finds and determines all of the following: (1) The basis of the need for the facility; (2) The nature of the probable environmental impact; (3) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives, and other pertinent considerations; (4) In the case of an electric transmission line, that the facility is consistent with regional plans for expansion of the electric power grid of the electric systems serving this state and interconnected utility systems and that the facility will serve the interests of electric system economy and reliability; (5) That the facility will comply with Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under those chapters and under Sections 1501.33, 1501.34, and 4561.32 of the Revised Code. In determining whether the facility will comply with all rules and standards adopted under Section 4561.32 of the Revised Code, the board shall consult with the office of aviation of the division of multi-modal planning and programs of the department of transportation under Section 4561.341 of the Revised Code; (6) That the facility will serve the public interest, convenience, and necessity; (7) In addition to the provisions contained in divisions (A) (1) to (6) of this section and rules adopted under those divisions, what its impact will be on the viability as agricultural land of any land in an existing agricultural district established under Chapter 929 of the Revised Code that is located within the site and alternative site of the proposed major utility facility; rules adopted to evaluate impact under Division (A)(7) of this section shall not require the compilation, creation, submission, or production of any information, document, or other data pertaining to land not located within the site and alternative site; and (8) That the facility incorporates maximum feasible water conservation practices as determined by the board, considering available technology and the nature and economics of the various alternatives.

#### **Statement Pursuant to Ohio Revised Code Section 4906.07**

Upon the receipt of an application complying with Section 4906.06 of the Revised Code, the Ohio Power Siting Board shall promptly fix a date for a public hearing thereon, not less than sixty nor more than ninety days after such receipt, and shall conclude the proceeding as expeditiously as practicable. The public hearing for this case shall consist of two parts:

- (1) A local public hearing, pursuant to Section 4906.08(C), Revised Code, where the Board shall accept written or oral testimony from any person has been scheduled for **May 6, 2014, at 6:00 p.m.**, at the South Central High School, 3305 Greenwich Angling Road, Greenwich, Ohio 44837; and,
- (2) The adjudicatory hearing has been scheduled for **May 19, 2014 at 10:00 a.m.**, at the offices of the Public Utilities Commission of Ohio, 11th Floor Hearing Room C, 180 East Broad Street, Columbus, Ohio 43215-3793.

The chairman of the Ohio Power Siting Board shall cause each application filed with the Ohio Power Siting Board to be investigated and shall, not less than fifteen days prior to the date any application is set for hearing, submit a written report to the Ohio Power Siting Board and to the applicant. A copy of such report shall be made available to any person upon request. Such report shall set forth the nature of the investigation, and the report shall contain recommended findings with regard to division (A) of Section 4906.10 of the Revised Code and shall become part of the record and served upon all parties to the proceeding.

#### **Statement of Ohio Revised Code Section 4906.08(C)**

The Ohio Power Siting Board shall accept written or oral testimony from any person at the public hearing, but the right to call and examine witnesses shall be reserved for parties. However, the Board may adopt rules to exclude repetitive, immaterial, or irrelevant testimony.

Petitions to intervene in the adjudicatory hearing will be accepted by the Board up to thirty (30) days following the publication of this notice required by Rule 4906-5-08(C)(1), O.A.C., or later if good cause is shown. However, the Board strongly encourages interested persons who wish to intervene in the adjudicatory hearing to file their petitions as soon as possible but by no later than April 18, 2014. Petitions should be addressed to Docketing Division, the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 and cite Case No. 13-990-EL-BuN.
