THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application for)
Certification of the Mother Ann Lee)
Hydroelectric Station as an Eligible Ohio) Case No. 14-403-EL-REN
Renewable Energy Resource Generating)
Facility.)

ENTRY

The attorney examiner finds:

- (1) On March 19, 2014, Lock 7 Hydro Partners, LLC filed an application on behalf of Shaker Landing Hydro Associates, Inc., for certification of the Mother Ann Lee Hydroelectric Station in Harrodsburg, Kentucky, as an eligible Ohio renewable energy resource generating facility defined under R.C. 4928.01(A)(37).
- (2) Ohio Adm.Code 4901:1-40-04(F)(2), provides that this application will be automatically deemed approved 60 days after filing, unless suspended by order of the Commission or attorney examiner.
- (3) This application presents novel issues regarding the certification of this facility, and the Commission's Staff has requested additional time to investigate this application and file its recommendations for the Commission's review. Accordingly, the 60-day automatic approval process will be suspended at Staff's request for good cause shown.

It is, therefore,

ORDERED, That the automatic approval process for this application for certification as an eligible Ohio renewable energy resource generating facility be suspended. It is, further,

ORDERED, That a copy of this Entry be served upon the applicant and all parties of record in this case.
