Dear Ms. McNeal:

This letter is in response to the Opinion and Order and Certificate issued on March 11, 2013 for the Beaver to Brownhelm Junction 345 kV Transmission Line Project. In compliance with condition 9 of the March 11, 2013 Opinion and Order and Certificate, please be advised that Beaver to Brownhelm Junction 345 kV Transmission Line Project began commercial operation March 8, 2014. Minor construction activities, primarily maintaining erosion controls while vegetation becomes reestablished in areas disturbed by construction, are still underway and are expected to be completed in a few months. We will provide a notification letter when all construction activities are completed.

If you have any questions regarding this project, please contact me at (330) 384-2526.

Sincerely,

Scott Humphrys
