ENTRY

The attorney examiner finds:

- (1) On April 19, 2010, as amended on September 12, 2012, American Broadband and Telecommunications Company (American Broadband or Complainant) filed a complaint alleging, among other things, that Frontier North Inc. (Frontier North or Respondent) has failed to provide adequate service as required by R.C. 4905.22. Specifically, American Broadband asserts that since November 2007, Frontier North and its predecessor, Verizon North, failed to fix software problems that have negatively impacted the Respondent's ability to timely and properly process the Complainant's loop and port orders and corresponding local number portability requests. The Complainant alleges that, as a direct and proximate result of Frontier North's deficiencies, its business has been interfered with and negatively impacted due to the cancellation of service orders by prospective customers. The Complainant also asserts that the Respondent's charges are in excess of those established in the applicable interconnection agreement and tariffs.
- (2) Pursuant to Ohio Adm. Codes 4901:1-7-08 and 4901:1-7-10, a mediation session was held in this proceeding on April 9, 2013, and a second mediation session was held on July 1, 2013.
- (3) Pursuant to the Entry of March 14, 2014, a subsequent settlement conference was scheduled for April 9, 2014, at 1:00 p.m. at the offices of the Commission.

- (4) On April 1, 2014, counsel for Frontier North notified the attorney examiner that the settlement conference needed to be rescheduled due to a scheduling conflict. Finding the request reasonable and without undue delay or prejudice to any party, the attorney examiner shall reschedule the settlement conference. As proposed by the parties, the settlement conference shall be rescheduled for April 15, 2014, at 1:00 p.m. and take place in Room 1247 at the offices of the Commission, 12th Floor, 180 East Broad Street, Columbus, Ohio 43215.

It is, therefore,

ORDERED, That a settlement conference be rescheduled in accordance with Finding (4). It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
