RE Case No.: 13-0990-EL-BGN
6011 Greenwich Windpark, Huron County

Dear Sir and/or Madam,

We are writing to express our support for 6011 Greenwich Windpark's application put forth to the Ohio Power Siting Board for construction of wind turbines in Huron County, Ohio. This is an important and exciting scheme, and it is vital that it moves forward.

We are local residents who strongly believe that these turbines will provide renewable energy, as well as enhance the local community. In these times, initiatives that bring a financial return to communities are sorely needed.

Wind power is good economic development!

Sincerely,

Leon and Vera Burkholder
