Re: PUCO Case Nos. 13-651, 13-652, and 12-2156

Dear Ms. Hawkins:

In accordance with Ohio Admin. Code 4901-1-09, this letter serves as notification of discussions between ELPC attorneys Robert Kelter and Nicholas McDaniel and Commissioners Steven Lesser, Beth Trombold, and Lynn Slaby concerning certain energy efficiency issues, which are also being addressed in an ongoing rulemaking docket. Mr. Kelter and Mr. McDaniel met with the three Commissioners Wednesday, March 26, in separate meetings at the Commissioners' offices. The Commissioners' aides also attended the meetings.

Mr. Kelter and Mr. McDaniel discussed two issues: (1) Due process and adequate opportunity for stakeholder involvement are especially important in energy efficiency cases; and (2) Measurement of energy efficiency savings (using correct baselines, net-to-gross values, etc.) in order to ensure that customers receive the full benefits of energy efficiency. These issues are two of several that may be addressed in an ongoing rulemaking docket, Case Nos. 13-651, 13-652, and 12-2156. Therefore, this letter serves as the required notice of these discussions under the Commission rule.

This letter also includes the following language, as required by rule: "Any participant in the discussion who believes that any representation made in this document is inaccurate or that the communications made during the discussion have not been fully disclosed shall prepare a letter explaining the participant's disagreement with the document and shall file the letter with the commission and serve the letter upon all parties and participants in the discussion within two business days of receipt of this document."

Sincerely,

/s/ Nicholas McDaniel
