Sections 4905.10, 4935.01, and 4935.03,)	
and from specified sections of Chapter 4933)	
of the Revised Code.)	

APPLICATION

Now comes the Applicant, Vectren Energy Delivery of Ohio, Inc. ("VEDO"), and requests approval for the bill formats proposed herein, pursuant to Rule 4901:1-13-11(D), Ohio Administrative Code. In support of its Application, VEDO states as follows:

1. VEDO is an Ohio corporation engaged in the business of supplying natural gas to consumers in Ohio, and, as such, is a public utility as defined by Sections 4905.02 and 4905.03 of the Ohio Revised Code and is subject to the jurisdiction of the Public Utilities Commission of Ohio ("Commission").

2. VEDO's current bill formats comply with the Commission's rules.

3. The proposed bill formats contain the following modifications:

- a) The proposed bills will be printed in full color rather than in a two color format. This change will allow for better communication of the information contained in the bills;
- b) The “detailed account activity” section will provide information in an easy-to-read table format and will provide improved historical usage charges to allow customers to review account activity over time;
- c) The “Your Account Information” section will be enhanced and separated from the “Summary” box. Important customer information such as notices and information regarding payment arrangements will be included with the “Your Account Information”. These changes will simplify the “Summary” box;
- d) Important and multiple messages can be included directly on the bill in an expanded form. Inclusion of this information on the bill will reduce the number of bill inserts. Further, VEDO will be able to target bill messages at a higher level of granularity; and
- e) The proposed bills will provide improved and streamlined “Terms and Definitions” on the reverse side of the first page of the bill. Rate Code abbreviations are added, and there is updated language regarding non-tariffed charges.

4. VEDO submits that the proposed formats improve the existing bill formats and make bills as clear, straightforward and understandable as possible.

5. Samples of VEDO's proposed bill formats are attached hereto and incorporated herein as Exhibit A. The samples address issues raised by Commission Staff.

6. This Application does not result in a rate increase.

7. Upon Commission approval, VEDO intends to begin utilization of its proposed bill format with the June 1, 2014 billing cycle. Because the modifications requested herein have been under review for several months and address concerns raised by Commission Staff, expedited treatment is supported by good cause. Accordingly, VEDO respectfully requests that the Commission approve this Application by May 21 and prior to the 45-day automatic approval, which would take effect on June 1, 2014 in order to allow for proper billing implementation prior to June 1.

WHEREFORE, VEDO respectfully requests that the Commission approve this Application to revise VEDO's bill formats in compliance with the requirements of Rule 4901:1-13-11(D), Ohio Administrative Code, as shown in Exhibit A prior to the automatic 45-day approval.

Respectfully submitted,

/s/ Frank P. Darr

Important Vectren Energy Delivery Numbers

Customer Service: 1-800-227-1376 | Call Before You Dig: 811 or 1-800-362-2764 | Ohio Relay Service: 711 | www.vectren.com

General Information

24 Hour Emergency Service: Call 1-800-227-1376 if you smell a gas odor or if all of your natural gas appliances are out.

Customer Service Questions or Concerns: To contact Vectren Energy Delivery (Vectren) about your bill or service, visit www.vectren.com or call 1-800-227-1376 between 7 a.m. and 7 p.m., Monday through Friday. Authorized pay sites are available in your neighborhood for your convenience. To locate an authorized pay site nearest you, visit www.vectren.com or call 1-800-227-1376. You can pay your bill through a checking or savings account for free at www.vectren.com or by calling 1-800-227-1376. If you would like to write to Vectren, please send correspondence to P.O. Box 209, Evansville, IN 47702-0209 or visit our web site at www.vectren.com. If you have selected a third-party gas supplier through the natural gas Choice program and have questions regarding your gas supply charges, please refer to the gas supplier and toll free number listed in the "Important Information" section of your bill. The nonpayment of charges for non-tariffed services that are unrelated to the charges you incurred for the delivery and consumption of gas at your home or business shall not result in the disconnection of your gas service.

Customers with billing or service issues or concerns regarding a disconnect notice should contact Vectren prior to contacting the Public Utilities Commission of Ohio (PUCO). If your complaint is not resolved after you have called Vectren, or for general utility information, residential and business customers may contact the public utilities commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays, or at www.puco.ohio.gov. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). The Ohio consumers' counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at www.pickocc.org.

Terms & Definitions

Distribution and Service Charges - Charges billed each month for the delivery of natural gas and other charges approved by the PUCO to ensure safe, reliable service.

Customer/Monthly Charge - Charge billed each month to recover a portion of the ongoing costs of providing service to the customer. This charge does not vary with gas consumption.

CCF (100 Cubic Feet) - Gas consumption is measured by your meter in hundreds of cubic feet.

Standard Choice Offer - Under Vectren's Standard Choice Offer (SCO) service, Vectren customers are receiving natural gas provided by third-party suppliers. The SCO suppliers won the right in a competitive auction to provide gas supply to customers at a monthly SCO price, which is calculated by adding a fixed retail price adjustment determined in a periodic auction to the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas. Because the SCO price reflects the NYMEX-based market price, it can vary with changes in supply and demand. The SCO price is charged to customers who have not selected an alternate gas supplier through the natural gas Choice program. The name of the gas supplier providing SCO service appears on the bill.

Miscellaneous Charges - Examples of miscellaneous charges may include but are not limited to reconnect fees; labor charges and returned check charges.

Gas Cost Charge (DSS) - Under Vectren's Default Sales Service (DSS), Vectren purchases natural gas through third-party suppliers at a fixed retail price adjustment determined in a competitive auction plus the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas; Vectren's costs are then passed on to DSS customers. Because the DSS charge reflects the NYMEX-based market price, it can vary monthly with changes in supply and demand. The DSS price is charged to customers who are not eligible to select an alternate gas supplier through the natural gas Choice program.

Gas Supplier Charges (also referred to as gas marketer)- Charges billed each month for the consumption of natural gas supplied by a retail gas supplier who is certified by the Public Utilities Commission of Ohio (PUCO) to sell natural gas in a competitive retail market.

Multiplier - Factor used to calculate consumption on meters with higher than the standard delivery pressure. A multiplier greater than 1 indicates a delivery pressure that is greater than Vectren's standard delivery pressure.

PIPP Plus - The Percentage of Income Payment Plan Plus (PIPP Plus) is available if your total income is at or below 150% of the Federal poverty level. This program does not reduce or waive energy costs; it only establishes a payment plan to allow you to maintain your utility service.

Important Vectren Energy Delivery Numbers

Customer Service: 1-800-227-1376 | Call Before You Dig: 811 or 1-800-362-2764 | Ohio Relay Service: 711 | www.vectren.com

General Information

24 Hour Emergency Service: Call 1-800-227-1376 if you smell a gas odor or if all of your natural gas appliances are out.

Customer Service Questions or Concerns: To contact Vectren Energy Delivery (Vectren) about your bill or service, visit www.vectren.com or call 1-800-227-1376 between 7 a.m. and 7 p.m., Monday through Friday. Authorized pay sites are available in your neighborhood for your convenience. To locate an authorized pay site nearest you, visit www.vectren.com or call 1-800-227-1376. You can pay your bill through a checking or savings account for free at www.vectren.com or by calling 1-800-227-1376. If you would like to write to Vectren, please send correspondence to P.O. Box 209, Evansville, IN 47702-0209 or visit our web site at www.vectren.com. If you have selected a third-party gas supplier through the natural gas Choice program and have questions regarding your gas supply charges, please refer to the gas supplier and toll free number listed in the "Important Information" section of your bill. The nonpayment of charges for non-tariffed services that are unrelated to the charges you incurred for the delivery and consumption of gas at your home or business shall not result in the disconnection of your gas service.

Customers with billing or service issues or concerns regarding a disconnect notice should contact Vectren prior to contacting the Public Utilities Commission of Ohio (PUCO). If your complaint is not resolved after you have called Vectren, or for general utility information, residential and business customers may contact the public utilities commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays, or at www.puco.ohio.gov. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). The Ohio consumers' counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at www.pickocc.org.

Terms & Definitions

Distribution and Service Charges - Charges billed each month for the delivery of natural gas and other charges approved by the PUCO to ensure safe, reliable service.

Customer/Monthly Charge - Charge billed each month to recover a portion of the ongoing costs of providing service to the customer. This charge does not vary with gas consumption.

CCF (100 Cubic Feet) - Gas consumption is measured by your meter in hundreds of cubic feet.

Standard Choice Offer - Under Vectren's Standard Choice Offer (SCO) service, Vectren customers are receiving natural gas provided by third-party suppliers. The SCO suppliers won the right in a competitive auction to provide gas supply to customers at a monthly SCO price, which is calculated by adding a fixed retail price adjustment determined in a periodic auction to the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas. Because the SCO price reflects the NYMEX-based market price, it can vary with changes in supply and demand. The SCO price is charged to customers who have not selected an alternate gas supplier through the natural gas Choice program. The name of the gas supplier providing SCO service appears on the bill.

Miscellaneous Charges - Examples of miscellaneous charges may include but are not limited to reconnect fees; labor charges and returned check charges.

Gas Cost Charge (DSS) - Under Vectren's Default Sales Service (DSS), Vectren purchases natural gas through third-party suppliers at a fixed retail price adjustment determined in a competitive auction plus the New York Mercantile Exchange (NYMEX) month-end settlement price for natural gas; Vectren's costs are then passed on to DSS customers. Because the DSS charge reflects the NYMEX-based market price, it can vary monthly with changes in supply and demand. The DSS price is charged to customers who are not eligible to select an alternate gas supplier through the natural gas Choice program.

Gas Supplier Charges (also referred to as gas marketer)- Charges billed each month for the consumption of natural gas supplied by a retail gas supplier who is certified by the Public Utilities Commission of Ohio (PUCO) to sell natural gas in a competitive retail market.

Multiplier - Factor used to calculate consumption on meters with higher than the standard delivery pressure. A multiplier greater than 1 indicates a delivery pressure that is greater than Vectren's standard delivery pressure.

PIPP Plus - The Percentage of Income Payment Plan Plus (PIPP Plus) is available if your total income is at or below 150% of the Federal poverty level. This program does not reduce or waive energy costs; it only establishes a payment plan to allow you to maintain your utility service.

Bill Message

The name of the supplier providing service to your home or business at the regulated Standard Choice Offer (SCO) price is listed in the "Gas Supplier Detail" section of your bill. All SCO suppliers' prices are the same for customer who, like you, have not selected an alternate gas supplier through Vectren's natural gas Choice program,

If you have any questions about your gas supply charges call **CONSTELLATION ENERGY CHOICE INC** at **1-800-280-4474** or write to P.O. BOX 9060, DUBLIN, OH 43017.

For "Choice" program consumer tips and "apples to apples" comparisons for competitive supplier pricing, use the Gas Usage History Chart and visit the Public Utilities Commission of Ohio's (PUCO) web site at www.puco.ohio.gov or call 1-800-299-7271 or visit the Ohio Consumers' Counsel's web site at www.pickocc.org or call 1-877-742-5622.

Having trouble paying in full? Request a payment arrangement to pay in smaller increments - for no extra fees.
