ENTRY

The Commission finds:

- (1) On October 21, 2013, Complainant, the City of Alliance, Ohio, filed a complaint against the respondent, AT&T Ohio,¹ alleging that Complainant was overbilled for a circuit that was disconnected in April 2009.
- (2) AT&T Ohio filed its answer on November 12, 2013.
- (3) At a settlement conference held in the Commission's offices on January 14, 2014, the parties reached a tentative settlement which they have since worked together to finalize.
- (4) On March 27, 2014, the Law Director of the City of Alliance filed a letter informing that Commission that the parties have reached an amicable settlement. Therefore, Complainant formally seeks to withdraw its complaint with prejudice.
- (5) Being advised that the parties have resolved all issues raised by the complaint, the Commission finds that the Complainant's request to withdraw its complaint with prejudice is reasonable and should be granted.

¹ The complaint was filed against AT&T. In its answer, AT&T Ohio explained that its proper corporate name is The Ohio Bell Telephone Company, dba AT&T Ohio. The caption contains the proper corporate name of the respondent.

It is, therefore,

ORDERED, That Complainant's request to withdraw the complaint with prejudice be granted and that this case, accordingly, be closed of record. It is, further,

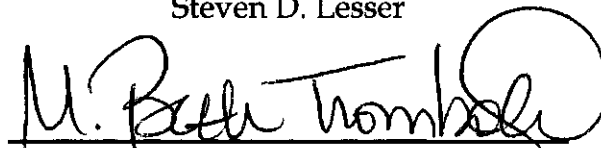

ORDERED, That a copy of this Entry be served upon all parties and interested persons of record.
