Re: This material is being filed per Case No. 10-2387-TP-COI "In the Matter of the Commission's Investigation into Intrastate Carrier Access Reform Pursuant to Sub. S.B. 162."

Dear Ms. McNeal:

Pursuant to the Public Utilities Commission of Ohio's ("Commission") Entry of March 26, 2014 in this docket, Horizon Services, Inc., a Competitive Local Exchange Carrier, advises the Commission that its applicable intrastate access rates mirror the underlying Incumbent Local Exchange Carrier Companies corresponding interstate access rates.

Horizon Services, Inc. intrastate switched access rates mirror those of the Incumbent Local Exchange Carrier (ILEC) that serves the territory in which Horizon Services, Inc. traffic originates or terminates as set forth in Frontier North "Facilities for Intrastate Access Tariff" PUCO NO. 2. The rate(s) contained in the ILEC state tariff concurs with the interstate rates in Verizon Telephone Companies Tariff FCC NO. 14. Accordingly, Horizon Services, Inc. has been in compliance with the requirements of PUCO Case NO. 10-2387-TP-COI since 2013 and no intrastate tariff revisions are required at this time.

/s/ Kym Rupeiks
