THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Applications of the Ruth)
Fischer Residence for Certification as an) Case No. 11-329-EL-REN
Eligible Ohio Renewable Energy Resource) Case No. 11-4096-EL-REN
Generating Facility.)

ENTRY

The Commission finds:

- (1) On January 26, 2011, Gary Lakritz, president of Knollwood Energy, filed an application for certification of a roof-mounted solar photovoltaic system located at the Ruth Fischer Residence, in Swarthmore, Pennsylvania, as an eligible Ohio renewable energy resource generating facility, as defined by R.C. 4928.01(A)(37), in Case No. 11-329-EL-REN. On April 4, 2011, Certificate No. 11-SPV-PA-GATS-0652 was issued to Ruth Fischer pursuant to the 60-day automatic approval process set forth under Ohio Adm.Code 4901:1-40-04(F)(2), with an effective date of March 28, 2011.
- (2) On July 18, 2011, an application for certification of the same facility was filed by Dan Yonkin of Sol Systems LLC, in Case No. 11-4096-EL-REN. The Fischer's solar photovoltaic system was again automatically certified as an Ohio renewable energy resource generating facility under Certificate No. 11-SPV-PA-GATS-2386, effective as of September 17, 2011.
- (3) On April 12, 2012, a letter from Ruth Fischer was filed stating that Sol Systems should be considered the aggregator for the Fischer's solar panel array.
- (4) The Commission finds that Certificate No. 11-SPV-PA-GATS-0652 requested by Knollwood Energy in Case No. 11-329-EL-REN, should be cancelled as the same facility has since been issued Certificate No. 11-SPV-PA-GATS-2386, and the owner has indicated that Sol Systems should be recognized as the correct representative for this facility. Accordingly, Certificate No. 11-SPV-PA-GATS-0652 should be revoked.

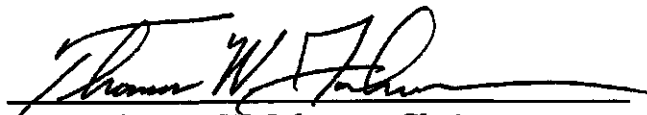

It is, therefore,

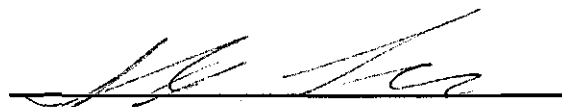

ORDERED, That Certificate No. 11-SPV-PA-GATS-0652 be revoked. It is, further,

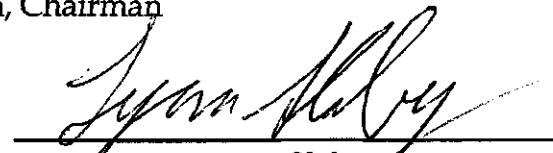

ORDERED, That Case No. 11-329-EL-REN be dismissed and closed of record. It is, further,

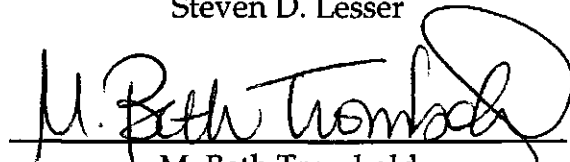

ORDERED, That a copy of this Entry be served upon all parties of record.
