BEFORE THE PUBLIC UTILITIES COMMISSION OF OHIO

In the matter of the Application of the :
City of Hilliard for Renewal of Certification : Case Number: 06-0507-GA-GAG
As a Governmental Aggregator :

MOTION FOR EXTENSION OF CERTIFICATION EXPIRATION DATE

Pursuant to Section 4901:1-27-09 Ohio Administrative Code, the City of Hilliard ("Hilliard") respectfully requests that the Public Utilities Commission of Ohio ("PUCO" or "Commission") extend the current expiration date for renewal of certification as a governmental aggregator. The reason for this request is that due to a clerical error the renewal application was submitted on April 9, 2014, and in order to provide the PUCO with the requisite 30 days to review the renewal application, the current expiration date needs to be extended to May 9, 2014.

Hilliard maintains that this extension will not prejudice any party.

WHEREFORE, Hilliard respectfully requests that the Commission grant Hilliard's Motion for Extension of Certification Expiration Date and extend the time of its current certification until May 9, 2014.

Respectfully submitted,
