Subject: REVISION - Application case "14-708-EL-AGG" dated April 18, 2014

I received a kind courtesy email from Chuck Stockhausen (PUCO - Service Monitoring and Enforcement Department) detailing two (2) correctable matters to the above subject application. Those matters are;

1. A-1 "Legal Name" incorrectly referenced as "Walter Jones" instead of "Barranca Energy Procurement Services, LLC".
2. A-12 "Corporate Structure" was missing (Exhibit Page 2) in the April 18, 2014 application.
 - a. Barranca Energy Procurement Services, LLC was incorporated in California with Walter Jones as the sole manager. There are no affiliate or subsidiary companies, and Barranca Energy Procurement Services, LLC is not an affiliate or subsidiary company of any corporate or individual entity.

This REVISION packet amends those original issues with the updated attached documents.

With my signature below, I further certify that these revised filed documents are correct and consistent with my sworn notarized signatures on page 6 of the "Certification Application for Aggregators/Power Brokers" and within the application "Affidavit".

Sincerely,

Walter Jones
Manager, Barranca Energy Procurement Services, LLC

Mr. Jones,

On April 18, 2014 the Docketing Division received a certification application for Aggregators/Power Brokers in case 14-708-EL-AGG with your name listed as the Applicants "Legal Name". The legal name must reflect the name of the legal entity which will do business in Ohio when certified as an aggregator/power broker. According the Ohio Secretary of State documents filed in response to Exhibit A-15, that legal entity is Barranca Energy Procurement Services, LLC.

In addition, the application is missing a response to Exhibit A-12 "Corporate Structure".

Please refile the first page of the application reflecting the correct legal name and provide a response to Exhibit A-12 so that staff can continue its review. The requested information should be sent to the Docketing Division along with a note explaining the reason for the revised filing in case 14-708.

Let me know if you have any questions.
