Re: Greenwich Windpark, Case No. 13-0990-EL-BGN

Mr. Seidel,

Thank you for contacting the Ohio Power Siting Board regarding the proposed Greenwich Windpark. It is noted that you are in support of the project. Your comments will be filed in the docket for case number 13-0990-EL-BGN.

The Board's Staff recently filed a *Staff Report of Investigation*, which submits its findings and recommendations to the Board concerning the project. A copy of this report is available on the OPSB website, www.opsb.ohio.gov, under case number 13-0990-EL-BGN.

The Board will hold a local public hearing on May 6, 2014 at 6:00 p.m. at South Central High School, 3305 Greenwich Angling Road, to gather sworn testimony before making its decision at a later date. I have attached a fact sheet that explains how you may participate in the power siting process.

If you have any additional questions or concerns, please contact my office (866) 270-6772. Again, thank you for your interest in this case.

Very truly yours,

Kim Wissman, Executive Director
Ohio Power Siting Board

RE Case No.: 13-0990-EL-BGN
6011 Greenwich Windpark, Huron County

Dear Sir and/or Madam,

I am writing to express my support for 6011 Greenwich Windpark's application put forth to the Ohio Power Siting Board for construction of wind turbines in Huron County, Ohio. This is an important and exciting scheme, and it is vital that it moves forward.

I am a local resident who strongly believes that these turbines will provide renewable energy, as well as enhance the local community. In these times, initiatives that bring a financial return to communities are sorely needed.

Thank you for your consideration.

Best regards,

Robert C. Seidel
