LIST OF ISSUES

Pursuant to the Administrative Law Judge Entry of March 10, 2014, Applicant, 6011 Greenwich Windpark, LLC (“Applicant”) submits the following list of issues that have not yet been resolved with the Staff. The Staff Report in this proceeding was issued eight days ago, on April 21, 2014 and contained 53 conditions. The Applicant and the Staff have scheduled a meeting to discuss the conditions to which Applicant seeks clarification or modification. However, these meetings have not yet taken place. Therefore, the list below reflects issues that the parties have not had an opportunity to discuss nor resolve:

- Condition No. 9: Clarification of language with respect to the final project design and condition compliance.
- Condition No. 17: Potential changes to permit some construction activities on nights and weekends.
- Condition No. 19: Clarification on the exact requirements of the construction access plan.
- Condition No. 20: Clarification on the exact requirements of the vegetation management plan.
- Condition No. 24: Clarification on identification of northern harrier habitat.
- Condition No. 37: Clarification on whether a general blasting plan sufficiently meets condition requirement.
- Condition No. 41: Potential changes to condition language to allow the use of Comsearch data for microwave path survey.

- Condition No. 47: Decommissioning clarifications, elimination of inconsistencies and adjustments to the Staff language.

In addition, there may be other issues that arise when the parties have an opportunity to fully understand some of the other conditions. Therefore, Applicant respectfully reserves the right to add issues.

Respectfully submitted on behalf of
