**CONTEMPORANEOUS FILING OF BCMS' NEW APPLICATION**  
**(IN ORDER TO ALLOW TIME FOR THE COMMISSION**  
**TO REVIEW BCMS' NEW APPLICATION)**

Bank Certified Merchant Services, LLC, dba Certified Utility Services ("BCMS") has been providing services for two years pursuant to the above certificate number. Because the certificate expired on April 13, 2014, BCMS has – contemporaneously with the filing of this motion – filed a *new* application. (A “renewal application” BCMS filed on April 28<sup>th</sup> was denied as being untimely.) Because BCMS has customers and a work staff and has been operating under the above certificate for two years, it respectfully moves the Public Utilities Commission of Ohio (the “Commission”) to permit BCMS to act in the same manner up to the date of the new application (today) and for 30 days thereafter. The 30 days from the date of this motion is requested in order to allow the Commission time to review BCMS’ new application.

As indicated in the new application filed today, BCMS is a reputable and prosperous business that has been certified for two years without complaint or incident. For the sake of the employees, owner and officers of BCMS and the sake of the satisfied customers who depend on BCMS and its continued service, it is respectfully requested that the Commission grant this motion.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
