THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Verso)
Quinnesec Mill-TG2 for Certification as)
an Eligible Ohio Renewable Energy) Case 14-432-EL-REN
Resource Generating Facility.)

ENTRY

The attorney examiner finds:

- (1) On April 16, 2014, Verso Quinnesec Mill-TG2 (Verso) filed an application in accordance with Ohio Adm.Code 4901:1-40-04(F) for certification as an Ohio renewable energy resource generating facility, as defined in R.C. 4928.01.
- (2) Pursuant to Ohio Adm.Code 4901:1-40-04(F)(2), Verso's application is subject to a 60-day automatic approval process. The rule also provides that the Commission may suspend an application during the 60-day approval period.
- (3) On May 20, 2014, Staff contacted the attorney examiner to request that the 60-day automatic approval process be suspended. Staff explained that it is currently reviewing the complexities of Verso's application and needs additional information to thoroughly investigate matters and complete its review.
- (4) Given Staff's comments, the attorney examiner finds good cause exists to suspend the 60-day automatic approval process for Verso's application.

It is, therefore,

ORDERED, That the automatic approval process for Verso's application be suspended. It is, further,

ORDERED, That a copy of this Entry be served upon Verso and any other parties of record in this case.
