*Re: In the Matter of the Application of Ohio Power Company for
Authority Establish a Standard Service Offer Pursuant to Section
4928.143, Revised Code in the Form of an Electric Security Plan,
Case No. 13-2385-EL-SSO; In the Matter of the Application of Ohio
Power Company for Approval of Certain Accounting Authority, Case
No. 13-2386-EL-AAM*

Examiners See and Parrot:

On May 23, 2014, Ohio Power Company (AEP Ohio) filed a motion to strike in the above-captioned cases. There were two erroneous references to the testimony of Exelon witness Campbell on page 1 of the motion that were inadvertently left in from a prior draft of the filing; none of the specific passages sought to be struck and none of the supporting arguments relate to Mr. Campbell's testimony. Thus, AEP Ohio does not presently seek to strike portions of Mr. Campbell's testimony as part of the May 23 motion but reserves the right to verbally move to strike his testimony during the hearing.

Thank you for your attention to this matter.

Respectfully Submitted,
